*Habakkuk* J. Alexander Rutherford, 2019-12-20 It is all too common to find commentaries that miss the forest for the trees commentaries that get so caught up in the minutiae of scholarly controversies that they miss what God is saying for His church today This is especially evident when it comes to the book of Habakkuk The Teleioteti Old Testament Commentaries series is an attempt to attain theological depth to pay attention to the forest without neglecting the details of the text without missing the trees To do this a Teleioteti Old Testament Commentary seeks to bring scholarly rigour and thoughtfulness together with faithful attention to the purpose and significance of each book for God's people today It strikes a balance between technicality working through the Hebrew text and its difficulties and practicality applying each major section of the text to contemporary needs Habakkuk is a book that especially needs such an approach After an extensive introduction discussing the significant issues and laying the groundwork for interpreting Habakkuk this commentary walks through the text stanza by stanza and line by line With a balance of theological reflection and exegetical depth a wide variety of readers will find something to take away Habakkuk is a book of discipleship a book written to bring its reader to a deeper faith in Yahweh in the presence of His unthinkable deeds In the midst of oppressive evil at the hands of their Judahite brothers the righteous of Judah cry out to God for salvation His response is the invasion of fearsome Chaldea What appears to be horrid judgment is actually His plan to save those who trust in Him All His people are called to extraordinary faith to believe Him when His deeds are unbelievable In this way and only this way will they be delivered from their oppressors and enjoy God's blessings only by faith can they have life

**Faith Speaking Understanding** Kevin J. Vanhoozer, 2014-09-19 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together

*Divine Blessing and the Fullness of Life in the Presence of God* William R. Osborne, 2020-09-24 The concept of blessing pervades the everyday life of Christians from testimonies recounting God's provision to praise songs to wishing someone well In fact the term has been so integrated into Christian language that it is rarely considered thoughtfully In the pages of Scripture blessing seems to be either physical or spiritual but a fuller biblical theological approach reveals that God's blessing has always been both spiritual and physical In *Divine Blessing and the Fullness of Life in the Presence of*

[PROOF](#) Daniel Montgomery, Timothy Paul Jones, 2014-05-27 It's time to open your eyes to the freeing power of authentic grace grace that releases us from trying to earn God's favor grace that enables us to rest in the finished work of Christ grace that liberates from the tyranny of trying to please others That's what the theology of Martin Luther and John Calvin did in their own day for the people around them Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism Daniel Montgomery and Timothy Paul Jones think it's time to rescue the theology of the Reformers from

such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed PROOF stands for planned grace resurrecting grace outrageous grace overcoming grace and forever grace The authors offer proof of God's grace upon which people can stand against the attacks of legalism that have led many of God's people to lose sight of the freedom and joy of the gospel And this proof is intoxicating it's like a 200 proof drink that will leave you spiritually staggering at its effect on your life God's grace not only declares us not guilty in his presence it changes our relationship with God forever
