Lost In Translation Vol 1 Rediscovering The Hebrew Roots Of Our Faith:

Lost in Translation Vol 3 John Klein, Adam Spears, 2012-03 This is the final book in a three volume series that covers the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years In this volume the authors explore the second half of Revelation from the perspective they established so clearly in Volumes 1 and 2 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation Lost in Translation John Klein, Adam Spears, 2007 Revised 2016 Edition Despite the sensational nature of its subject *Lost in Translation Rediscovering the Hebrew Roots of our Faith* is written in simple clear rational language that relies 100 percent on the Bible as the ultimate authority The book's authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies Using the ancient Hebrew language and culture the authors clarify many of the Bible's so called mysteries and help the reader rediscover many of the foundational truths that have been lost in translation Topics include Who is the Bride of Messiah Is there a difference between covenant and testament Israel Who are they really What is the difference between devils demons and nephilim Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God A must read for the church Providing foundational insights which lead to a greater understanding of God's master plan this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church Corey Berti Senior Pastor Silver Valley Worship Center ID I've been a believer for 12 years and I've read numerous scriptures that didn't make sense The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God's message It's like watching TV in black and white and then suddenly seeing it in color The truth hasn't changed but it's meaning becomes more vivid Jason Carr *The Book of Revelation Through Hebrew Eyes Vol 2* John Klein, Adam Spears, 2009-06 This is the second book in a three volume series that will cover the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years In this volume the authors explore the first half of Revelation from the perspective they established so clearly in Volume 1 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation **The Road to True Discipleship** Rob Pohlman, 2016-02-09 Over the last twenty five years God has been preparing Rob Pohlman for presenting this book to the Christians of this age Rob shows us what we have been programmed to believe by the world and how this differs from the will of God for us He shows us in detail the realities of God's kingdom and our place in it as mature disciples of Christ who are able to contribute to the glory of God right here on this earth and prepares us for the kingdom to

come Join him on the journey toward spiritual maturity that God so deeply desires for us to display and enjoy It will not be an easy journey but it will prove to be well worth the effort and life changing in every aspect of your life **The Mystery of the Seven** Rebecca Williams Love,2025-02-03 What if for the person who is willing to take the time to dig just a little bit deeper than they have ever gone before there were treasures beyond imagination just waiting to be found in God s Word That person could be you You could ask God to open your eyes to behold wondrous things out of His word And He would You would suddenly view Bible study as an adventure and what you find would thrill your soul I know this because this happened to me and this book is the story of that treasure hunt I was determined to study my Bible as though I were searching for hidden treasure When one sets out to dig for gold it is first necessary to survey the ground closely Gold is generally located deep underground near bedrock on the surface however there are clues The presence of certain minerals and rock formations can often indicate where gold may be found Repeated numbers and phrases can be such indicators in the Bible The number seven has been called the number of perfection or completion and we see it figuring prominently all throughout the Word of God Wherever we see the number seven in scripture that is a good indication that there is something more to be found That is where we dig for treasure *Anatomy of the Heavens* John Klein,2013-04 A discussion of the zodiac from a biblical perspective *Romance of the Hebrew Calendar* Raphael Ben Levi,2013-02-28 In the introduction to *Romance of the Hebrew Calendar* author Raphael Ben Levi writes This book is about relationships I make no apologies for it When everything has been said and done what are we left with that endures Relationships borne out of agape love This is what the deepest and most authentic relationships are composed of from beginning to end This absorbing and ground breaking book will inspire readers to develop a deeper relationship with God and bring restoration to those who are spiritually broken According to the author there is a special heartbeat that pulsates through the veins of the biblical year which has helped shape the identity of the Jewish people Written from a Jewish messianic perspective *Romance of the Hebrew Calendar* contains inspirational and fresh insights that are highly engaging and provocative The main theme is complemented by a rich compendium of poignant stories and devotions drawn from Jewish tradition historical archives and firsthand accounts The Jewish festivals are lovingly presented to demonstrate a unified message of redemption The months of the Hebrew calendar are accompanied by individual sections relating to the constellation connected to each tribe as represented by their banner or flag The Hebrew word *mazal* from the plural word *mazzaroth* is associated with the patterns of stars in the sky and we find various biblical references to it such as in the Book of Job In addition *Romance of the Hebrew Calendar* contains individual sections for each chapter relating to the jewels of the high priest s ephod their colours and their inherent connection with the twelve tribes of Israel The combined messages contained within the biblical feasts the *mazzaroth* and the jewels of the high priest s ephod converge to form a unified declaration of God s love revealed in Yeshua Ha Meshiach that will capture your imagination and attention This book is beautifully written easy to read and contains many insights and revelations that are

interwoven and presented to make it a treasure to adorn every bookshelf **Access Behind the Veil** Dr. Michael Petro, Dr. S. L. Hebrew Roots Robert Dick Wilson, 1902 *The Mystery of the Hebrew Letters* Reverend Maria Goldstein, 2017-10-23 Who hath ascended up into heaven or descended Who hath gathered the wind in his fists Who hath bound the waters in a garment Who hath established all the ends of the earth What is his name and what is his son's name if thou canst tell Proverbs 30:4 The answer to this riddle can be found in the revelation contained within this book The Son's identity once concealed in the divine letters of the Hebrew alphabet is now revealed Yeshua said Before Abraham was I am Messiah is also known as the Poretz the one who will break through He was present from the beginning of time for the salvation of the world Each Hebrew letter points to Jesus Yeshua as the Messiah to all the nations of the world The mystery of Messiah Yeshua was once hidden in the divine Hebrew letters and the Torah This breakthrough information has been revealed for such a time as this Yeshua said Repent for the Kingdom of God is near This book is a glimpse of Yeshua in the Hebrew Alpha Bet Yeshua said In the volume of the book it is written of me You are about to get a glimpse of Yeshua revealed in the Hebrew For those not fluent in Hebrew it is my hope that this book will pique your interest in learning our holy language As a Jewish Rabbi and a believer in Yeshua the Messiah I highly recommend *Mystery of the Hebrew Letters* to connect you to the Jewishness of Yeshua Jesus The Bible is a Jewish book from cover to cover and only in studying the Bible in Hebrew its original language will you begin to understand the richness of the Word of Elohim As Christians it's time to reconnect to the Jewish Roots of our faith Rabbi Deborah Brandt Deborah's Messianic Ministries Beit Midrash Tefillah Hallel Congregation and Vice President and Instructor at The Judaic Studies Institute and University Dr Maria Goldstein THANK YOU for writing this incredible book As a Hebrew Christian for 46 years I have never read anything like this It solves the mystery of the Hebrew alphabet and reveals Yeshua Jesus as the Son of God Many of my questions have finally been answered by this book which I highly and enthusiastically recommend Pastor Meyer Stahl Southern New Mexico Church of God author founder producer TV and radio host of What is Truth The 22 sacred letters of the Hebrew language are profound and spiritual since the language spoken by God in the Bible is made up from these letters By trying to understand God's word we can learn even more by understanding the meaning of the letters that brought forth creation Rev Dr Maria Goldstein does a wonderful job of revealing some of these mysteries and their relation to Messiah Yeshua Rabbi George Quinn Beth Israel Messianic Center El Paso TX Hebrew is a constructive language and as such even the letters must be considered when determining the meaning of the words A Jewish story goes as follows When God asked Adam to name the animals Adam so filled with the knowledge of the Hebrew letters was able to look at each creature and knew which letters God used to bring that creature into existence Those letters then became the name that Adam gave to each creature So Adam did not so much as name the animals as much as being filled with the knowledge of the letters he knew the name God had already given them Dr Goldstein's *Mystery of the Hebrew Letter Jesus Revealed* is a wonderful little gem conveying some key elementary points of each Hebrew letter This primer should be taken as a first step into the larger world of understanding the very Word of God the Bible Rabbi Gary Hartshorn Las Cruces NM **Book of**
