LOVE THEM IN STANLEY N. GUNDRY,1999 **Love Them In** Stanley N. Gundry,1982 **D.L. Moody on Spiritual Leadership** Steve Miller,2008-09-01 There are a few persons in the history of Christianity who have more profoundly affected the faith and the church than D L Moody By studying the life of Moody readers will discover the role of faith and conviction in forging a philosophy of spiritual leadership Each chapter focuses on a different quality evident in Moody s life that he considered essential for leading the church and community This book is a must have for anyone considering a position of leadership within the church The Essential D. L. Moody Collection Dwight L. Moody,2024-12-17 This collection of three popular works by evangelist D L Moody is designed for today s reader with a new introduction and contextual insights that help bring Moody s timeless messages into our changing times *Secret Power* The same power that produced prophets qualified apostles and raised Jesus from the dead indwells every Christian today But do we live like we believe it *Secret Power* will help you rediscover and embrace the power of the Holy Spirit in both the lives of individuals and in the church *The Overcoming Life* Many of us miss out on the victorious life Christ won for us because we are trapped in guilt and shame immobilized by fear or stuck in old patterns of thinking *The Overcoming Life* shows you how to have confidence in Christ s call so you can overcome the trials of this world and experience the full joy of the Lord both in this life and the next *Prevailing Prayer* Packed with biblical insights and illuminating stories of bold prayers answered in astonishing ways *Prevailing Prayer* will guide and inspire you to pray with great expectation and in full faith that God hears you loves you and wants his best for you Contemporary Theology: An Introduction, Revised Edition Kirk R. MacGregor,2020-07-28 Accessible and comprehensive *Contemporary Theology An Introduction* by professor and author Kirk R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life *Contemporary Theology An Introduction* is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner **Music and Theology in Nineteenth-Century Britain** Martin Clarke,2016-04-22 The interrelationship of music and theology is a burgeoning area of scholarship in which conceptual issues have been explored by musicologists and theologians including Jeremy Begbie Quentin Faulkner and Jon Michael Spencer Their important work has opened up opportunities for focussed critical studies of the ways in which music and theology can be seen to interact in specific repertoires genres and institutions as well as the work of particular composers religious leaders and scholars This collection of essays explores such areas in relation to the religious musical and social history of nineteenth century Britain The book does not simply present a history of

sacred music of the period but examines the role of music in the diverse religious life of a century that encompassed the Oxford Movement Catholic Emancipation religious revivals involving many different denominations the production of several landmark hymnals and greater legal recognition for religions other than Christianity The book therefore provides a valuable guide to the music of this complex historical period **Conflicted Power in Malawian Christianity** Klaus

Fiedler,2015-12-01 The volume constitutes Klaus Fiedlers crowning contribution to scholarship Essays in the first half of the book focus on Malawian Christianity and how contrasting Powers Gospel and Secular engage each other creating social political and cultural conflict in the process In the second half Fiedler examines general missiological themes These essays provide a broader missiological background offering a theoretical framework necessary for appreciating the essays in the first half He concludes with a chapter that reviews selected seminal books on themes under study Throughout the volume Fiedler applies the restorationist revival theory he constructed in The Story of Faith Missions an earlier 1994 work putting emphasis on non classical missions and churches not systematically covered in earlier scholarship This volume the first of its kind on Malawian Christianity will long remain an indispensable text for those interested in Missiology and Malawian Christianity The Emergence of Pentecostalism in Wales Chris Palmer,2019-02-15 British Pentecostalism is linked to the

Azusa Street Revival in Los Angeles through T B Barratt and Anglican vicar Alexander A Boddy at Sunderland Boddy s experience and subsequent ministry set the foundation in Britain for the rise of the Apostolic Church the Elim Church and the Assemblies of God Each of these Pentecostal denominations had their roots in Wales Following the Welsh Revival of 1904 05 some enthused by their experience sought a deeper relationship with God and this search ultimately led them to Pentecostalism A group of eager believers emerged around the town of Crosskeys in South East Wales By 1912 they had established the Crosskeys Full Gospel Mission which soon became a centre for Pentecostal activity The central role of the Crosskeys group is seen in the development of the Assemblies of God in Wales and Monmouthshire denomination which was in existence by 1921 The Crosskeys based group had been in correspondence with the American Assemblies of God AG regarding joining that denomination as an official presbytery It was this action that caused a group of like minded English Pentecostals to pursue the establishment of the Assemblies of God in Great Britain and Ireland in 1924 This British denomination incorporated some thirty eight Welsh Pentecostal assemblies This book considers some of the important theological political and social influences which shaped the brand of Pentecostalism that emerged in South East Wales in the early twentieth century a movement which was to have a wide ranging influence on subsequent Pentecostal history far beyond the borders of Wales **Evangelical Scholarship, Retrospects and Prospects** Zondervan,2018-01-23 This is

perhaps the most multifaceted collection of essays Zondervan has ever published A fitting Festschrift to Stan Gundry a man known by many people for many things but never for being one dimensional As a pastor scholar publisher mentor and trusted friend Stan has played diverse roles and worn numerous hats in his professional tenure Contributors from a variety of

disciplines put a Gundry spin on a topic of their expertise and choosing whether it is an evangelical historical look at recent developments in their particular discipline or reflections on a topic at the center of Stanley's interests. The result is this Festschrift as multilayered, engaging, and authentic as the man it honors. Contributors and essays include the following: Craig L. Blomberg, "Does the Quest for the Historical Jesus Still Hold Any Promise?" Millard J. Erickson, "Eighty Years of American Evangelical Theology"; Gordon D. Fee, "On Women Remaining Silent in the Churches: A Text-Critical Approach to 1 Corinthians 14:34-35"; Robert A. Fryling, "A Key to a Publishing Friendship"; Robert H. The Story of Christian Spirituality Gordon Mursell, 2001. Beautifully illustrated throughout. The Story of Christian Spirituality is a readable and vivid guide to the spiritual riches of one of the world's most influential religions.

Strangers in Zion William Robert Glass, 2001. This story has been virtually ignored by historians of fundamentalism and historians of religion in the South. Glass has written a history that fills a significant gap in the historical literature on fundamentalism and on religion in the American South. As such, he lays the groundwork for understanding the South's contribution to the growth of the religious right in the second half of the twentieth century. **BOOK JACKET**

Experience the Presence of God Fred M. Jensen, 2009-04. Whatever happened to the presence of God in the American church? The church has settled for the status quo rather than the supernatural. God's Church is dealing with considerable spiritual lethargy and superciliousness. Man has been doing church his way long enough, and now it is time that the Holy Spirit be the administrator and director of His church. God has the perfect plan for His house. The author presents an urgent and no-compromise appeal for a return to the manifested presence of God. The author also gives the diagnosis and prescriptive treatment for the spiritual decline of the church. This book introduces Biblical principles and not man's strategies that will cause a full restoration to the presence and glory of God. This book is for those that are hungry and thirsty for more of God's presence. Fred Jensen was born in 1954 and was raised on Staten Island, New York, where he was converted to Christ at the young age of eight years old. It was here that Fred experienced for the first time the presence of God while attending a prayer meeting with his father. Fred is the third generation of Pentecostal ministry. He has served as a pastor for 30 years in Massachusetts, New Jersey, Hawaii, and Colorado. Fred has a passion for the manifested presence of God and revival. He now is devoted to writing, speaking, and completing a Ph.D. He and his wife Naomi have one daughter, two sons, and one grand

daughter Fred and his wife now reside in mid west Colorado

Telling the Truth D. A. Carson, 2009-09-01 A pre modern baseball umpire would have said something like this There s balls and there s strikes and I call em as they are The modernist would have said There s balls and there s strikes and I call em as I see em And the postmodernist umpire would say They ain t nothing until I call em With that humorous quote Ravi Zacharias illustrates the challenge postmodernism poses to Christians passionate about evangelism How do you communicate truth to a world that isn t sure what truth is or even if truth is How do you commend spiritual absolutes to people who insist there are none If you ve puzzled even struggled over such questions the book you hold in your hands is required reading Telling the Truth provides informed insights on the heart of the Gospel the soul of postmodern culture and their complex interface This book is a compilation of thoughts and strategies from twenty nine prominent practitioners of contemporary evangelism Originating at a three day conference held at Trinity Evangelical Divinity School Telling the Truth draws on knowledge gained in the trenches by Ravi Zacharias Kelly Monroe D A Carson Ajith Fernando and other notables It will open your eyes to how the contest for souls is fought guerilla style at a multitude of fronts relationships the university ethnicity reason and emotion the pulpit communications in short the broad spectrum of human experience and values You ll be challenged to discern between the unchanging Gospel and the flexible means by which we communicate it Telling the Truth can help you lay the groundwork necessary to point biblically uninformed postmodern men and women toward an encounter with non negotiable truth an absolute revealed in the Bible that points to the reality of sin and the need for a Savior

The Doctrines of Grace in an Unexpected Place Mark R. Stevenson, 2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by Do human beings possess free will to embrace or reject the gospel Did Christ die equally for all people or only for some These questions have long been debated in the history of the Christian church Answers typically fall into one of two main categories popularly known as Calvinism and Arminianism The focus of this book is to establish how one nineteenth century evangelical group the Brethren responded to these and other related questions The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world Although many critics have assumed the movement s theology was Arminian this book argues that the Brethren with few exceptions advocated Calvinistic positions Yet there were some twists along the way The movement s radical biblicism passionate evangelism and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism s soteriological principles the so called doctrines of grace

The Company of the Preachers, Fundamentalism and American Culture George M. Marsden, 2006-02-23

Many Americans today are taking note of the surprisingly strong political force that is the religious right Controversial decisions by the government are met with hundreds of lobbyists millions of dollars of advertising spending and a powerful grassroots response How has the fundamentalist movement managed to resist the pressures of the scientific community and the draw of modern popular culture to hold on to their ultra conservative Christian views Understanding the movement's history is key to answering this question Fundamentalism and American Culture has long been considered a classic in religious history and to this day remains unsurpassed Now available in a new edition this highly regarded analysis takes us through the full history of the origin and direction of one of America's most influential religious movements For Marsden fundamentalists are not just religious conservatives they are conservatives who are willing to take a stand and to fight In Marsden's words borrowed by Jerry Falwell a fundamentalist is an evangelical who is angry about something In the late nineteenth century American Protestantism was gradually dividing between liberals who were accepting new scientific and higher critical views that contradicted the Bible and defenders of the more traditional evangelicalism By the 1920s a full fledged fundamentalist movement had developed in protest against theological changes in the churches and changing mores in the culture Building on networks of evangelists Bible conferences Bible institutes and missions agencies fundamentalists coalesced into a major protest movement that proved to have remarkable staying power For this new edition a major new chapter compares fundamentalism since the 1970s to the fundamentalism of the 1920s looking particularly at the extraordinary growth in political emphasis and power of the more recent movement Never has it been more important to understand the history of fundamentalism in our rapidly polarizing nation Marsden's carefully researched and engrossing work remains the best way to do just that

A.J. Gordon Scott M. Gibson, 2001 This is a biographical study which surveys the life and career of Boston Baptist Adoniram Judson Gordon 1836-1895 and examines pre-millennialism as his motivation

and source of his theological understanding The study examines a moderate Calvinistic Baptist tracing his theological development and analyzing his embrace of pre millennialism and its substantial impact on his pastorate denominational work relationships and enterprises Gordon s significant role in the shaping of late nineteenth century North American Evangelical Protestant Christianity is demonstrated in this biography

Ten Lepers Michael E. Loomis, 2012-08-20 Leprosy is a scary disease Most people have a serious aversion to losing their sense of touch and growing numb and unable to feel another s touch or even sensing hot and cold temperatures They have an aversion to losing fingers toes and noses They have an aversion to losing their eyesight their ability to walk or to pick up a penny and even their ability to have a sexual relationship Hopefully you don t have the physical disease of Leprosy Did you know though that you might have Spiritual Leprosy Yes your lifestyle may be creating numbness to the activities that are unacceptable to family to friends and to God You are living a life that has become self serving addictive and destructive to the extent that those in your life want nothing more to do with you You re becoming immobile and non functional in life because of a slavery to sin that has overtaken you You are dying and may not even realize it yet At one point in our lives we are all leprous The Ten Lepers will help you understand what spiritual Leprosy is and how to cure it
