Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith **Following the Way of Love**

Karen L. Jackson, 2009-03-09 In her debuting anthology Following the Way of Love Karen L Jackson shares a compelling story about the complexities of abuse in its many forms sexual physical emotional and verbal This powerfully written book gives voice to the devastation victims of abuse face daily We see the ripped flesh of their wounded hearts hear the haunting cries of their soul and are made privy to their vulnerable life experiences But the author doesn't leave us in the valley of despair rather she focuses on the increasing liberty one acquires as he/she journeys toward healing Hope resonates on each page Karens story rich in imagery and Biblical wisdom carefully unfolds in the blending of poetry short stories narratives and teachings Readers of this book will assuredly find themselves cheering for the champion within Karen and giving Him praise for creating a vessel of beauty from the ashes of her life Order Your Copy Today **The Way of Vision** Jesse Brett, 1923

Café Theology - Exploring Love, the Universe and Everything Michael Lloyd, 2008-08 In Café Theology Mike invites us to grab a cappuccino and travel with him on a mind stretching journey from Creation to New Creation offering a rich and

human view of life and the Life Giver Whether you have been on the Christian Journey your whole life you are just starting out or haven't even bought a ticket this extraordinary book is applicable to our ordinary lives longings and in Mike's words our feeble and frustrated fumbblings after an understanding of who we are and what we are here for **The Theosophical Quarterly**, 1927 **Stages on Life's Way** Søren Kierkegaard, 2013-04-21 Stages on Life's Way the sequel to Either/Or is an intensely poetic example of Kierkegaard's vision of the three stages or spheres of existence the esthetic the ethical and the religious With characteristic love for mystification he presents the work as a bundle of documents fallen by chance into the hands of Hilarius Bookbinder who prepared them for printing The book begins with a banquet scene patterned on Plato's Symposium George Brandes maintained that one must recognize with amazement that it holds its own in this comparison Next is a discourse by Judge William in praise of marriage in answer to objections The remainder of the volume almost two thirds of the whole is the diary of a young man discovered by Frater Taciturnus who was deeply in love but felt compelled to break his engagement The work closes with a letter to the reader from Taciturnus on the three existence spheres represented by the three parts of the book Stages on Life's Way not only repeats themes characters and pseudonymous authors of the earlier works but also goes beyond them and points to further development of central ideas in Concluding Unscientific Postscript I am the Way, Walk in Me Delrose Treasure, 2013-05-02 The Restoration Ministry of Jamaica Inc RMOJ was founded by Delrose Treasure as a church based organization to help uplift the community by overcoming barriers to turn individuals into more productive members of society while simultaneously bringing them closer to God I am the Way Walk in Me chronicles what it took to create the RMOJ and the author's life experiences that brought about its inception An ardent born again Christian Treasure intersperses chronicles events in her life with Biblical passages displaying the significance that faith and belief hold even in everyday occurrences for God's hand can be seen in all things She shares tales of her upbringing by loving and God fearing parents how she accepted Jesus Christ as her Lord and Savior at a young age the blessings of motherhood in the form of three beautiful children and the privilege of migrating to America where after many odd jobs she became a certified nursing assistant The unseen yet undeniable influence of the Holy Spirit would guide Treasure to return once more to her homeland Jamaica to help the needy There she provided food clothes and toys for the children while spreading the Good News in accordance with God's purpose for her life Treasure shares the lengths she took to carry out her task alternating work and travel and utilizing her vacation days to serve her community This would culminate in the eventual formation of the Restoration Ministry of Jamaica Inc **The Way of Peace** James M. Childs, A realistic vision of peace and peacemaking A social ethical exploration of the roots of violence and peace Combines moral wisdom and prophetic realism *Finding the Way to 'Long Day's Journey Into Night'* William Davies King, 2024-09-03 Eugene O'Neill wrote his most enduring and important plays after he won international acclaim as the first and only American playwright to receive the Nobel Prize in Literature in 1936 In the midst of the Great Depression with his health

failing and spirits sunk he and his third wife former actress Carlotta Monterey moved to California to escape the materialism and commercialism of a declining West and they built a new home called Tao House A reasonably good translation of tao is the way and in this house which was largely the creation of Carlotta he found the way to his most famous play Long Day s Journey Into Night As an unusually explicit autobiographical drama this play returns to 1912 the outset of O Neill s writing career when he confronted tragedy in his family story and found a way to dramatize his mother father brother and himself in a way that has resonated with audiences since its publication and production in 1956 But this book argues that the play originates as much in the moment of its creation 1939 1941 in the family relationships the historical circumstances and the fact that this work would represent a moment of closure of his great career Key to this heroic story of creation is the intervention of his wife Carlotta whose diaries enable a day to day observation of how the play was written She was the driving force behind the design of Tao House and she managed the rhythms and patterns of life within its architecture It was her masterpiece just as Long Day s Journey was his This book develops a close reading of their house and marriage and also uses many of O Neill s previous plays to illuminate the breakthrough of Long Day s Journey This book is the most granular and at the same time the most far reaching inquiry into how this quintessential play was written and almost not written and how it came into the world The Way E. Stanley Jones,2015-03-03 If we are to get a sparkle a buoyancy back into life we can get it only as we are sure we are on the Way says E Stanley Jones The Way God s Way is revealed in the life and teachings of Jesus Christ as well as in the structure of reality This practical volume leads step by step through the implications of the Way in every aspect of life It progresses through 52 topics with daily readings Scripture references and prayer A sequel to Victorious Living and Abundant Living The Way offers a positive solution for mental and spiritual confusion and guidance for a life filled with meaning *Love is the Key to Open all Doors* Deborah Millender,2023-03-16 This book is about how our governor Mike DeWine put us all through life when we all needed the process of being together through crisis that we are in and we need the love to go through our everyday lives and jobs to get through to be able to live by That is why I call love is the key to open all doors
