The only book on the market with updated content and tests that actually mirror what students will see on test day along with strategies for each test section. While 18,036 students were accepted to medical school in 2008, more than 42,000 applied. Since the MCAT is the top factor admissions committees consider when reviewing applicants for medical school, MCAT Practice Tests is the ideal guide for the most test-like practice. It is the only guide on the market with updated content and tests that actually mirror what students will see on test day and includes strategies for each test section: Physical Sciences, Biological Sciences, Organic Chemistry, General Chemistry, and Verbal. More men and women are admitted to medical school with a Kaplan MCAT course than any other curriculum of its kind. This is why our guide is created by the same team of MDs, PhDs, scientists, and test preparation experts responsible for Kaplan's highly regarded MCAT course. In fact, students enrolled in Kaplan's popular MCAT courses overwhelmingly report that they want more practice tests to help them prepare for the difficult exam. This book includes two full-length practice tests with detailed answer explanations, the latest test information, six full chapters of strategies for each major section of the test. **Medical and Health Care Books and Serials in Print**, 1997. **The Handbook of Health Behavior Change, 4th Edition** Kristin A.
