invention of southern barbecue Native Virginian Powhatan tribes slow roasted meat on wooden hurdles or grills James  
Madison hosted grand barbecue parties during the colonial and federal eras The unique combination of vinegar salt pepper  
oils and various spices forms the mouthwatering barbecue sauce that was first used by colonists in Virginia and then spread  
throughout the country Today authentic Virginia barbecue is regionally diverse and remains culturally vital Drawing on  
hundreds of historical and contemporary sources author competition barbecue judge and award winning barbecue cook Joe  
Haynes documents the delectable history of barbecue in the Old Dominion      **To Make Men Free** Heather Cox  
Richardson,2014-09-23 From the New York Times bestselling author of Democracy Awakening the most comprehensive  
account of the GOP and its competing impulses Los Angeles Times When Abraham Lincoln helped create the Republican  
Party on the eve of the Civil War his goal was to promote economic opportunity for all Americans not just the slaveholding  
Southern planters who steered national politics Yet despite the egalitarian dream at the heart of its founding the Republican  
Party quickly became mired in a fundamental identity crisis Would it be the party of democratic ideals Or would it be the  
party of moneyed interests In the century and a half since Republicans have vacillated between these two poles with dire  
economic political and moral repercussions for the entire nation In To Make Men Free celebrated historian Heather Cox

Richardson traces the shifting ideology of the Grand Old Party from the antebellum era to the Great Recession revealing the insidious cycle of boom and bust that has characterized the Party since its inception While in office progressive Republicans like Teddy Roosevelt and Dwight Eisenhower revived Lincoln s vision of economic freedom and expanded the government attacking the concentration of wealth and nurturing upward mobility But they and others like them have been continually thwarted by powerful business interests in the Party Their opponents appealed to Americans latent racism and xenophobia to regain political power linking taxation and regulation to redistribution and socialism The results of the Party s wholesale embrace of big business are all too familiar financial collapses like the Panic of 1893 the Great Depression in 1929 and the Great Recession in 2008 With each passing decade with each missed opportunity and political misstep the schism within the Republican Party has grown wider pulling the GOP ever further from its founding principles Expansive and authoritative To Make Men Free is a sweeping history of the Party that was once America s greatest political hope and time and time again has proved its greatest disappointment     **The Standard** ,1924
