Imagine Homeopathy A Of Experiments Images And Metaphors:

Imagine Homeopathy Christian Kurz, 2005-05-25 The art and science of truly successful homeopathic medicine With the recent resurgence in the practice of homeopathy whether practiced alone or as a complement to other types of medicine comes an unprecedented demand for well educated highly trained practitioners What type of education will lead to true success Can the art of homeopathy be taught alongside the scientific concepts Generations of homeopaths have mastered such concepts as homeoprophylaxis genus epidemicus and constitution but only the truly successful practitioners have achieved a level of understanding far beyond simply dealing with patients In this unique book homeopath Chris Kurz offers a highly effective and fun approach to learning and importantly retaining all of the important concepts of homeopathy Using vivid analogies and informal language Kurz emphasizes the importance of true insight rather than rote memorization Infusing a student s personal experience with creativity and imagination creates the most fertile ground for discovering and developing true insight and knowledge of homeopathy Each chapter explores a concept through the lens of an experiment metaphor or image For example an intense examination of a common lemon brings home the notions of totality and the law of similars a road map unlocks the mysteries of Miasms and a game of golf illustrates important issues of case management The result of years working with students Kurz s inspirational and thought provoking approach places the patient at the center of the learning process as in everyday practice *Imagine Homeopathy* is invaluable as a guide for teachers an introduction for novices and laypeople and a provocative refresher for seasoned practitioners
