This user friendly model helps students get excited about understanding policy as a product, a process, and as performance, a unique 3 P approach to policy analysis as competing texts often just focus on one of these areas. Author Richard K. Caputo efficiently teaches the purpose of policy and its relation to social work values, discusses the field of policy studies, and the various kinds of analysis, and highlights the necessary criteria: effectiveness, efficiency, equity, political feasibility, social acceptability, administrative and technical feasibility for evaluating public policy *Turning Points* Alisa Belzer, 2017-10-16 Milestones for adult basic education include: It was first federally funded in 1964. The National Literacy Act passed in 1991. The Workforce Investment Act (WIA) of 1998 was enacted. The field then remained relatively static until 2014 when a new version of the GED test was launched, new content standards were developed, new data on adult cognitive skills were released, and the Workforce Innovation and Opportunity Act (WIOA) with its laser focus on employment and training was enacted. This volume reviews where the field is in relation to these turning points and discusses where it could go. Taking up critical discussions of the many recent and influential changes, as well as topics of enduring interest, this volume will be valuable to practitioners, researchers, and policy makers. This is the 155th volume of the Jossey-Bass series *New Directions for Adult and Continuing Education*.
