Youth Held at the request of the Carnegie Corporation of New York this workshop considered selected findings of 16 research projects that have focused on intergroup relations among children and adolescents all 16 received funding from Carnegie Corporation of New York for their work on this issue The funding of these projects was part of a larger research initiative supported by Carnegie Corporation of New York that sought to update and expand the knowledge sources and dynamics of racial and ethnic prejudice among youth identifying approaches to foster intergroup understanding Improving Intergroup Relations Among Youth is the summary of the workshop which provided an opportunity to learn about the work and preliminary findings of the 16 projects This report reviews the knowledge base regarding the effectiveness of interventions designed to promote peaceful respectful relations among youth of different ethnic groups Community Programs to Promote Youth Development Institute of Medicine, National Research Council, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Community-Level Programs for Youth, 2002-02-12 After school programs scout groups community service activities religious youth groups and other community based activities have long been thought to play a key role in the lives of adolescents But what do we know about the role of such programs for today's adolescents How can we ensure that programs are designed to successfully meet young people's developmental needs and help them become healthy happy and productive adults Community Programs to Promote Youth Development explores these questions focusing on essential elements of adolescent well being and healthy development It offers recommendations for policy practice and research to ensure that programs are well designed to meet young people's developmental needs The book also discusses the features of programs that can contribute to a successful transition from adolescence to adulthood It examines what we know about the current landscape of youth development programs for America's youth as well as how these programs are meeting their diverse needs Recognizing the importance of adolescence as a period of transition to adulthood Community Programs to Promote Youth Development offers authoritative guidance to policy makers practitioners researchers and other key stakeholders on the role of youth development programs to promote the healthy development and well being of the nation's youth *Resources in Education*, 1999-04 **School Success for At-Risk Students** Therese M. Cumming, Cathi Draper Rodriguez, 2018-09-06 School Success for At Risk Students A Culturally Responsive Tiered Approach introduces a model that incorporates cultural responsiveness into the familiar three tiered model of behavioural and academic support The model is designed to modify learning environments to support all students identify students at risk and provide a continuum of supports for those who need it The characteristics outcomes and support needs of at risk students are explored in detail These students include those with disabilities those who are English language learners refugees indigenous LGBT students from low SES backgrounds and those who are involved with the juvenile justice or out of home care systems The concepts of cultural responsiveness and competence are defined and discussed then incorporated into a framework that includes the Response to Intervention and Positive

Behavioural Interventions and Supports frameworks This revised framework is investigated in regards to theory research and practice The importance of cultural competence for at risk students and ways to improve this in schools are suggested This book is a necessary companion for educators and researchers who have an interest in exploring the nature and context of educating at risk students from the perspective of a culturally responsive multi tiered system of support It will also be of interest to a wide range of individuals working in education with at risk youth including preservice and veteran teachers leadership teams school psychologists and school counsellors as well as teacher educators

Racially Equitable Teaching

Mary E. Earick, 2009 Racially Equitable Teaching is a call to action for early childhood professionals dedicated to closing the achievement gap Using a critical race theory lens the book presents outcomes that exist among current professional development paradigms ideology and public education specifically looking at how racial ideologies are used as tools to maintain the over empowerment and privileging of Whites Beyond theory Racially Equitable Teaching provides practical classroom applications for teachers and administrators in an effort to move towards racial authenticity racial balance and positive racial in group messaging challenging the current reproduction of White racial hegemony in United States public schools

Radicalisation, Extremism and Social Work

Practice Lena Robinson, M Rafik Gardee, 2022-03-30 Radicalisation Extremism and Social Work Practice is the first book to explore cultural identity acculturation and perceived discrimination of Muslim youth across Western countries in relation to social work as well as the radicalisation and extremist views and actions of a small number of Muslim youth It draws on relevant theoretical frameworks and research to examine the different approaches taken in social work practice Some countries consider multi agency approaches particularly how public health practice can inform interventions and strategies Others take a public health approach looking for risk factors and seeking protective factors to develop suitable interventions

within the communities through public engagement and partnership As well as examining and discussing the above approaches this book critically examines government and community based approaches to radicalisation and extremism and strategies for combating these This volume will be a valuable resource for social work students including other disciplines such as psychology public health psychiatry sociology political science and community development It will also be of interest to policy makers practitioners and researchers ERIC Educational Documents Index, 1966-69: Major descriptors ,1970

Benuto,Melanie P. Duckworth,Akihiko Masuda,William O'Donohue,2020-05-11 This book addresses the ways in which clinical psychologists ought to conceptualize and respond to the prejudice and oppression that their clients experience Thus the link between prejudice and oppression to psychopathology is explored Basic scientific information about prejudice is reviewed and the current status of the major minority groups is explored Chapters examine the role of prejudice and oppression in institutional structures such as the Diagnostic and Statistical Manual of Mental

Disorders and professional organizations The discussion addresses ways to assess these phenomena in individual cases and how to intervene in psychotherapy The book ventures to evaluate the status of the profession of psychology with respect to prejudice stigmatization and oppression by critically examining evidence that the profession has responded adequately to these social problems These issues are hard to talk about and are not well talked about in the field This book is a push in the right direction *Annual Review of Psychology* Calvin Perry Stone, 1950 Publishes original critical reviews of the significant literature and current developments in psychology
