Lund, 2005-11-01 The epic saga of the Steed family continues in Volume 2 Swept up in the great drama as the infant Church expands and spreads westward into Ohio and Missouri the Steeds become eyewitnesses of miracles as well as the horrors of mob mayhem      **The**

Jonathan Edwards, 1840      **The Works of Jonathan Edwards: Volume I - I** Jonathan Edwards, 2017-03-18 The first book in the original first volume of the total works of Edwards he shows his scholarly brilliance in the fields of theology as he tackles many issues that we today still struggle with and debate about in our culture and churches Issues such as original sin the meaning of marriage and the sovereignty of God are all subjects covered in just this first book Come ready to learn about the person of God through the works of Jonathan Edwards      The Works of Jonathan Edwards Jonathan Edwards, 1839

**The Mystery of Manna** Dan Merkur, 1999-11-01 Compelling evidence that the early Jews and Christians used psychedelics as part of their religious rites Reveals the Bible s disguised references to this tradition and traces knowledge of this secret to the gnostics masons kabbalists and the legends of the Holy Grail Explores the idea that psychedelics have played a role in nearly all religious traditions When Moses fed manna to the Israelites he told them that after eating the miraculous bread they would see the glory of God And indeed they did They looked toward the wilderness and behold the glory of Yahveh appeared in a cloud In *The Mystery of Manna* religious historian Dan Merkur provides compelling evidence that this was the Israelites initiation into a psychedelic mystery cult that induced spiritual visions through bread containing ergot a psychoactive fungus containing the same chemicals from which LSD is made Citing biblical material as well as later Jewish and Christian writings Merkur reveals the existence of an unbroken tradition of Western psychedelic sacraments from Moses and manna to Jesus and the Eucharist Most important Merkur shows that this was not a heretical tradition but instead part of a normal Bible based spirituality a continuation of the ancient tradition of visionary mysticism Even when this practice became unacceptable to the religious orthodoxy it was perpetuated in secret by gnostics masons and kabbalists as well as through the legends of the Holy Grail Merkur traces a long line of historical figures who knew of manna s secret but dared only make cryptic references to it for fear of persecution *The Mystery of Manna* is the strongest contribution yet to our growing realization that contrary to popular belief psychedelics and religion have always gone hand in hand
