

LIKE JUDGMENT DAY

THE RUIN AND REDEMPTION OF
A TOWN CALLED ROSEWOOD

Michael D'Orso

Like Judgment Day The Ruin And Redemption Of A Town Called Rosewood

Lauren Gardner

Like Judgment Day The Ruin And Redemption Of A Town Called Rosewood:

Like Judgment Day Michael D'Orso,1996 Details the 1923 massacre of Black inhabitants of the Florida town of Rosewood by a white lynch mob and traces the lives of survivors The Rosewood Massacre Edward González-Tennant,2019-09-16 The Rosewood Massacre investigates the 1923 massacre that devastated the predominantly African American community of Rosewood Florida The town was burned to the ground by neighboring whites and its citizens fled for their lives None of the perpetrators were convicted Very little documentation of the event and the ensuing court hearings survives today *Long Overdue* Charles P. Henry,2009-09 In the wake of recent successes in South Africa and New Zealand new models for reparations have recently found traction in a number of American cities and states from Dallas to Baltimore and Virginia to California By looking at other dispossessed group Native Americans holocaust survivors and Japanese internment victims in the 1940s Henry shows how some groups have won the fight for reparations As Hurricane Katrina made apparent the legacy of racial segregation and economic disadvantage is never far below the surface in America Long Overdue provides an up to date survey of the political and legislative efforts that are now breaking the surface to move reparations into the heart of our national discussion about race **Lynchings in Mississippi** Julius E. Thompson,2015-06-08 Lynching occurred more in Mississippi than in any other state During the 100 years after the Civil War almost one in every ten lynchings in the United States took place in Mississippi As in other Southern states these brutal murders were carried out primarily by white mobs against black victims The complicity of communities and courts ensured that few of the more than 500 lynchings in Mississippi resulted in criminal convictions This book studies lynching in Mississippi from the Civil War through the civil rights movement It examines how the crime unfolded in the state and assesses the large number of deaths the reasons the distribution by counties cities and rural locations and public responses to these crimes The final chapter covers lynching s legacy in the decades since 1965 an appendix offers a chronology The New Encyclopedia of American Scandal George C. Kohn,2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption **Encyclopedia of American Race Riots** Walter C. Rucker,James N. Upton,2006-11-30 Race riots are the most glaring and contemporary displays of the racial strife running through America s history Mostly urban mostly outside the South and mostly white instigated the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West s industrialized cities during the early part of the twentieth century Though white black violence has been the most common form of racial violence riots involving Asians and Hispanics are also included and examined Race riots are the most glaring and contemporary displays of the racial strife running through America s history Mostly urban mostly outside the South and mostly white instigated the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West s industrialized cities during the

early part of the twentieth century While most riots have occurred within the past century the encyclopedia reaches back to colonial history giving the encyclopedia an unprecedented historical depth Though white on black violence has been the most common form of racial violence riots involving other racial and ethnic groups such as Asians and Hispanics are also included and examined Organized A Z topics include notorious riots like the Tulsa Riots of 1921 the Los Angeles Riots of 1965 and 1992 the African American community's preparedness and responses to this odious form of mass violence federal responses to rioting an examination of the underlying causes of rioting the reactions of prominent figures such as H Rap Brown and Martin Luther King Jr to rioting and much more Many of the entries describe and analyze particular riots and violent racial incidents including the following Belleville Illinois Riot of 1903 Harlem New York Riot of 1943 Howard Beach Incident 1986 Jackson State University Incident 1970 Los Angeles California Riot of 1992 Memphis Tennessee Riot of 1866 Red Summer Race Riots of 1919 Southwest Missouri Riots 1894 1906 Texas Southern University Riot of 1967 Entries covering the victims and opponents of race violence include the following Black Soldiers Lynching of Black Women Lynching of Diallo Amadou Hawkins Yusef King Rodney Randolph A Philip Roosevelt Eleanor Till Emmett Lynching of Turner Mary Lynching of Wells Barnett Ida B Many entries also cover legislation that has addressed racial violence and inequality as well as groups and organizations that have either fought or promoted racial violence including the following Anti Lynching League Civil Rights Act of 1957 Economic Opportunity Act of 1964 Ku Klux Klan National Association for the Advancement of Colored People NAACP Nation of Islam Vigilante Organizations White League Other entries focus on relevant concepts trends themes and publications Besides almost 300 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also offers a timeline of racial violence in the United States an extensive bibliography of print and electronic resources a selection of important primary documents numerous illustrations and a detailed subject index

The Long, Hot Summer of 1967 M. McLaughlin, 2014-03-20 It seemed at times during the 1960s that America was caught in an unending cycle of violence and disorder Successive summers from 1964 1968 brought waves of urban unrest street fighting looting and arson to black communities in cities from Florida to Wisconsin Maryland to California In some infamous cases like Watts 1965 Newark 1967 and Detroit 1967 the turmoil lasted for days on end and left devastation in its wake entire city blocks were reduced to burnt out ruins and scores of people were killed or injured mainly by police officers and National Guardsmen as they battled to regain control This book takes the pivotal year of 1967 as its focus and sets it in the context of the long hot summers to provide new insights into the meaning of the riots and their legacy It offers important new findings based on extensive original archival research including never before seen formerly embargoed and classified government documents and newly released official audio recordings

Rethinking Racial Justice Andrew Valls, 2018-08-23 The racial injustice that continues to plague the United States couldn't be a clearer challenge to the country's idea of itself as a liberal and democratic society where all citizens have a chance at a decent life So what must a liberal society do to address the legacies

of its past and how should we aim to reconceive liberalism in order to do so In this book Andrew Valls takes issue with solutions from both the left and the right and therefore with the constricted ways in which racial justice is debated in the United States today The Black Panthers in the Midwest Andrew Witt,2013-10-11 This book analyzes the community programs of the Black Panther Party specifically those of the Milwaukee branch with the aim of dispelling many of the existing stereotypes about the Party Misconceptions range from the Party being labeled as bent on the violent destruction of the United States to it being an overwhelmingly sexist group This book challenges stereotypes such as these by examining the community programs of the Party and by looking at the role of women in the Party Witt argues that the Party was not an extremist group dedicated to overthrowing the government of the United States but rather an organization committed to providing essential community services for lower income and working class African American communities around the nation

New Negro Politics in the Jim Crow South Claudrena N. Harold,2016-10 This study details how the development and maturation of New Negro politics and thought were shaped not only by New York based intellectuals and revolutionary transformations in Europe but also by people ideas and organizations rooted in the South Claudrena N Harold probes into critical events and developments below the Mason Dixon Line sharpening our understanding of how many black activists along with particular segments of the white American Left arrived at their views on the politics of race nationhood and the capitalist political economy Focusing on Garveyites A Philip Randolph s militant unionists and black anti imperialist protest groups among others Harold argues that the South was a largely overlooked incubator of black protest activity between World War I and the Great Depression The activity she uncovers had implications beyond the region and adds complexity to a historical moment in which black southerners provided exciting organizational models of grassroots labor activism assisted in the revitalization of black nationalist politics engaged in robust intellectual arguments on the future of the South and challenged the governance of historically black colleges To uplift the race and by extension transform the world New Negro southerners risked social isolation ridicule and even death Their stories are reminders that black southerners played a crucial role not only in African Americans revolutionary quest for political empowerment ontological clarity and existential freedom but also in the global struggle to bring forth a more just and democratic world free from racial subjugation dehumanizing labor practices and colonial oppression
