## **Lilly Stars Erin Waters:**

The Lilly Stars ,2015-11-21      **The Spring I Turned Ugly** L.E. Waters,2024-08-22 The Spring I Turned Ugly is best described as a modern Steel Magnolias meets American Bridget Jones Diary meets The Devil Wears Prada However it s the complete opposite of The Summer I Turned Pretty since Kiera Starlow hits a snag in life when everything seems to fall apart the spring of her twenty third year After a shocking breakup with Bodhi whom she s known since she was fifteen Kiera s world seemed to halt and she did all she could to try to adapt to a much different plan without Bodhi However things only get worse when Bodhi reappears seemingly wanting her back four months later just as a humiliating pinnacle event at work occurs Kiera s pushed to go on a nine day free trip to France but the hitch is it s with five old ladies It s not the new job in New York City as difficult as that turns out to be or losing twenty pounds nor the trip to France that changes Kiera s life like she thought It s the wisdom of five older exuberant women that puts her back on track Sometimes life gives you ugly and sometimes it s when you feel the worst that the story truly begins      *Heir Unapparent* L.E. Waters,2024-08-13 HEIR UNAPPARENT begins with a grave unearthed on a Spanish battlefield by archaeologist Professor Declan She s excited to see a figure in full plate armor dating to the mid fourteenth century However she s even more shocked to find a medieval journal in surprisingly good condition that attempts to explain the unusual circumstances of the Englishman in that grave It reveals the long held secret that the author of the journal Lord Lyon Bailey was actually born female This ignites an obsession of getting to know everything Professor Declan can about Lord Lyon Bailey by immersing herself in that bygone world of beauty murder secrecy illusion friendship and love Professor Declan won t stop until she finds all the answers      **Infinite Faith** L. E. Waters,2016-05 Maya continues to delve into her past lives after death and strives to complete the tentative journey required to reunite with her loved ones in heaven The darkest hour is just before dawn and in Maya s last hour the test of faith proves darkest with two more incarnations a young woman caught up fighting in the American Civil War and a German woman institutionalized at the deadly rise of Hitler s power as he plans to purge Germany of its mentally ill Maya is tested to a breaking point as she learns the most ethereal of spiritual lessons faith Faith in herself in others in the future to the path and to a higher purpose even when things don t go as planned Special Note Infinite Faith is not a standalone side effects of reading the series out of order include headache confusion and though extremely rare disinterest in continuing the series

**Infinite Enigma** L.E. Waters,2025-03-01 Maya finally catches up to the life where she s actually Maya again growing up in a Connecticut suburb in the 80 s and 90 s It all comes full circle and just because she recently lived this life doesn t mean Maya doesn t have to see it all again this time with eyes that remember the whole adventure thus far After all these lifetimes Maya hones an amazing psychic gift of seeing beyond the veil as she nears the end of her journey Maya wouldn t call it a gift though it s more like a curse that stole her childhood drawing unwanted attention from her school psychiatric hospital and even a black ops government project in Montauk At first the project seems intriguing and let s face it she d follow her green

eyed soulmate anywhere but very quickly it takes a horrible turn that she might not find a way out of     *Merchant Vessels of the United States* ,1978     **Merchant Vessels of the United States...** United States.
