Lily Chase Family Series 6:

Lily, 2015-05-17 England 1677 Lily Ashcroft is far and away the most conventional member of her eccentric family. Though she fell for dashing Oxford professor Lord Randal Nesbitt at the tender age of sixteen, she buried her feelings in deference to society's expectation that her older sisters marry first. Four years later, her sister Rose has now set her sights on Rand, and though it breaks her heart, what else can Lily do but help her beloved sister land the man of her dreams? What no one considers are Rand's feelings on the matter. He's been nursing a secret affection for sweet, compassionate Lily ever since their first meeting. But Rose is just as beautiful and shares his academic interests. Now he finds himself caught between two lovely sisters: the one he's expected to wed and the one who's captured his heart.
