Giving Up the Ghost Eric Nuzum,2012-08-07 At once hilarious and incredibly moving Giving Up the Ghost is a memoir of lost love and second chances and a ghost story like no other Eric Nuzum is afraid of the supernatural and for good reason As a high school oddball in Canton Ohio during the early 1980s he became convinced that he was being haunted by the ghost of a little girl in a blue dress who lived in his parents attic It began as a weird premonition during his dreams something that his quickly diminishing circle of friends chalked up as a way to get attention It ended with Eric in a mental ward having apparently destroyed his life before it truly began The only thing that kept him from the brink his friendship with a girl named Laura a classmate who was equal parts devoted friend and enigmatic crush With the kind of strange connection you can only forge when you re young Laura walked Eric back to normal only to become a ghost herself in a tragic twist of fate Years later a fully functioning member of society with a great job and family Eric still can t stand to have any shut doors in his house for fear of what s on the other side In order to finally confront his phobia he enlists some friends on a journey to America s most haunted places But deep down he knows it s only when he digs up the ghosts of his past especially Laura that he ll find the peace he s looking for
