Linguistic Structures Of Native America Viking Fund Publications In Anthropology:

Linguistic Structures of Native America Harry Hoijer, 1965 **Linguistic Structures of Native America**, 1965

Linguistic Structures of Native America Harry Hoijer, 1967 **American Indian languages and American linguistics** Wallace L. Chafe, Linguistic Society of America. Washington, University of California, Berkeley, Golden Anniversary Symposium of the Linguistic Society of America, 2 <1974, Berkeley, Calif.>, 2020-02-10 No detailed description available for American Indian languages and American linguistics **The Languages and Linguistics of Indigenous North America** Carmen Dagostino, Marianne Mithun, Keren Rice, 2023-09-05 This handbook provides broad coverage of the languages indigenous to North America with special focus on typologically interesting features and areal characteristics surveys of current work and topics of particular importance to communities The volume is divided into two major parts subfields of linguistics and family sketches The subfields include those that are customarily addressed in discussions of North American languages sounds and sound structure words sentences as well as many that have received somewhat less attention until recently tone prosody sociolinguistic variation directives information structure discourse meaning language over space and time conversation structure evidentiality pragmatics verbal art first and second language acquisition archives evolving notions of fieldwork Family sketches cover major language families and isolates and highlight topics of special value to communities engaged in work on language maintenance documentation and revitalization Encyclopedia of Linguistics Philipp Strazny, 2013-02-01 Utilizing a historical and international approach this valuable two volume resource makes even the more complex linguistic issues understandable for the non specialized reader Containing over 500 alphabetically arranged entries and an expansive glossary by a team of international scholars the Encyclopedia of Linguistics explores the varied perspectives figures and methodologies that make up the field *Language, mathematics, and linguistics* Charles F. Hockett, 2019-01-29 No detailed description available for Language mathematics and linguistics Sound Symbolism Leanne Hinton, Johanna Nichols, John J. Ohala, 1994 A study of the relationship between the sound of an utterance and its meaning **Cross-linguistic Investigations of Nominalization Patterns** Ileana Paul, 2014-02-15 The chapters in this volume address current topics in the morphology syntax and semantics of nominalizations drawing on a range of typologically and geographically diverse languages Nominalizations represent a long standing puzzle to linguists How is a noun such as destruction related to the verb destroy The semantic parallel between the deverbal nominalization and its related verb suggests that there is a close connection between the two This volume contributes to the ongoing debates on how to capture this connection and how to account for the apparent mixed categorical status of nominalizations This volume is essential for students and researchers interested in the morphology syntax and syntax semantics interfaces **The Life of Language** Jane H. Hill, P. J. Mistry, Lyle Campbell, 2011-06-24 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical

frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

Applicative Constructions in the World's Languages Fernando Zuniga, Denis Creissels, 2024-01-29 This book presents a state of the art cross linguistic survey of applicative constructions in the functional typological tradition An introductory section sets the terminological and analytical stage presents the methodology used by the different chapters and provides a typological outlook The individual contributions address the morphological syntactic and semantic variation of applicatives as well as their discourse pragmatic function They cover all major language families and some isolates that feature some illuminating version of the phenomenon paying special attention to language internal variation and unity The phenomena surveyed range from those instances usually considered canonical valency increasing syntactically and semantically predictable productive dedicated and optional to those occasionally understudied in descriptive works and frequently neglected in comparative studies valency neutral rather unpredictable lexicalized syncretic and or obligatory

The Oxford Handbook of Evidentiality Aleksandra IľUľr'evna Aľkhenval'd, 2018 The first volume to offer a thorough and systematic account of evidentiality and the expression of information source Illustrated with extensive data from a range of typologically diverse languages Introductory chapter offers practical advice for fieldworkers investigating evidentially Interdisciplinary in nature with insights from typology semantics pragmatics language description anthropology cognitive psychology and psycholinguistics Book jacket

The Oxford Handbook of Evidentiality Alexandra Y. Aikhenvald, 2018-01-18 This volume offers a thorough systematic and crosslinguistic account of evidentiality the linguistic encoding of the source of information on which a statement is based In some languages the speaker always has to specify this source for example whether they saw the event heard it inferred it based on visual evidence or common sense or was told about it by someone else While not all languages have obligatory marking of this type every language has ways of referring to information source and associated epistemological meanings The continuum of epistemological expressions covers a range of devices from the lexical means in familiar European languages and in many languages of Aboriginal Australia to the highly grammaticalized systems in Amazonia or North America In this handbook experts from a variety of fields explore topics such as the relationship between evidentials and epistemic modality contact induced changes in evidential systems the acquisition of evidentials and formal semantic theories of evidentiality The book also contains detailed case studies of evidentiality in

language families across the world including Algonquian Korean Nakh Dagestanian Nambikwara Turkic Uralic and Uto Aztecan

The Origin and Diversification of Language Morris Swadesh, 2017-09-04 Morris Swadesh one of this century's foremost scientific investigators of language dedicated much of his life to the study of the origin and evolution of language. This volume left nearly completed at his death and edited posthumously by Joel F. Sherzer is his last major study of this difficult subject. Swadesh discusses the simple qualities of human speech also present in animal language and establishes distinctively human techniques of expression by comparing the common features that are found in modern and ancient languages. He treats the diversification of language not only by isolating root words in different languages but also by dealing with sound systems with forms of composition and with sentence structure. In so doing he demonstrates the evidence for the expansion of all language from a single central area. Swadesh supports his hypothesis by exhibits that conveniently present the evidence in tabular form. Further clarity is provided by the use of a suggestive practical phonetic system intelligible to the student as well as to the professional. The book also contains an Appendix in which the distinguished ethnographer of language Dell Hymes gives a valuable account of the prewar linguistic tradition within which Swadesh did some of his most important work.

Routledge Library Editions: Linguistics Various, 2021-12-02 Routledge Library Editions Linguistics brings together as one set mini sets or individual volumes a series of previously out of print classics from a variety of academic imprints. With titles ranging from Applied Linguistics and Language Learning to Experimental Psycholinguistics and Sociolinguistics Today International Perspectives this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field.

Linguistic Change and Reconstruction Methodology Philip Baldi, 2011-06-01 No detailed description available for Linguistic Change and Reconstruction Methodology

Basic Word Order (RLE Linguistics B: Grammar) Russell S. Tomlin, 2014-02-03 This book examines the frequencies of the six possible basic word or constituent orders: SOV, SVO, VSO, VOS, OSV, OVS. It provides a typologically grounded explanation for those frequencies in terms of three independent functional principles of linguistic organization. From a database of nearly 1,000 languages and their basic constituent orders a sample of 400 languages was produced that is statistically representative of both the genetic and areal distributions of the world's languages. This sample reveals the following relative frequencies in order from high to low of basic constituent order types: 1. SOV and SVO 2. VSO 3. VOS and OVS 4. OSV. It is argued that these relative frequencies can be explained to be the result of the possible interactions of three fundamental functional principles of linguistic organization. Principle 1 the thematic information principle specifies that initial position is the cross-linguistically favoured position for clause level thematic information. Principle 2 the verb object bonding principle describes the cross-linguistic tendency for a transitive verb and its object to form a more tightly integrated unit syntactically and semantically than does a transitive verb and its subject. Principle 3 the animated principle describes the cross-linguistic tendency for semantic arguments which are either more animate or more agentive to occur earlier in the clause. Each principle is motivated independently of the others.

drawing on cross linguistic data from more than 80 genetically and typologically diverse languages Given these three independently motivated functional principles it is argued that the relative frequency of basic constituent order types is due to the tendency for the three principles to be maximally realized in the world s languages SOV and SVO languages are typologically most frequent because such basic orders reflect all three principles The remaining orders occur less frequently because they reflect fewer of the principles The 1 000 language database and the genetic and areal classification frames are published as appendices to the volume Linguistic Structures of Native America [by] Harry Hoijer [and Others]. Cornelius Osgood,1946 Linguistic Preferences Patrizia Noel Aziz Hanna,Laura Catharine Smith,2021-12-06 Now in Paperback

Edward Sapir, Appraisals of His Life and Work E. F. K. Koerner,1984-01-01 To commemorate the 100th anniversary of the birth of Edward Sapir 1884 1939 this volume brings together a number of papers by distinguished North American scholars appraising the life and work of the world renowned anthropologist and linguist It includes an introduction by the editor a full bibliography of Sapir s scientific writings a detailed index of names and many photographs and fac similes Among the contributors are Ruth Benedict Leonard Bloomfield Franz Boas Joseph Greenberg Mary Haas Zellig Harris A L Kroeber Robert H Lowie David Mandelbaum Morris Swadesh and C F Voegelin

Linguistic Structures Of Native America Viking Fund Publications In Anthropology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Linguistic Structures Of Native America Viking Fund Publications In Anthropology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Linguistic Structures Of Native America Viking Fund Publications In Anthropology Books

What is a Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF

editors may have options to export or save PDFs in different formats. **How do I password-protect a Linguistic Structures Of Native America Viking Fund Publications In Anthropology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
