Lore and Verse Yue Zhang,2022-01-01 Lore and Verse is the first English language book dedicated entirely to studying poems on history yongshi shi in premodern China Focusing on works by poets from the entire range of early medieval China 220 589 Yue Zhang explores how history was disseminated and interpreted through poetry as well as how and why certain historical figures were commemorated in poetry In writing poems on history poets retrospectively crafted their own identities through their celebration of historical figures and they prospectively fortified a continuous lineage for transmitting their values and reputation to future generations This continuous tradition of cultural memory informs a poet s reception of historical figures which in turn shapes that tradition through further intertextual connections Lore and Verse questions the sweeping generalization of early medieval Chinese poetry as consisting mainly of exuberant images and an ornamental style an inaccurate characterization repeated by later historians and literary critics and it provides translations close readings and analyses of selected poems on history that will be useful for students instructors and general readers interested in premodern Chinese literature and culture

**Chinese History** Endymion Porter Wilkinson,2000 Endymion Wilkinson s bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China In this latest edition now in a bigger format its scope has been dramatically enlarged by the addition of one million words of new text Twelve years in the making the new manual introduces students to

different types of transmitted excavated and artifactual sources from prehistory to the twentieth century It also examines the context in which the sources were produced preserved and received the problems of research and interpretation associated with them and the best most up to date secondary works Because the writing of history has always played a central role in Chinese politics and culture special attention is devoted to the strengths and weaknesses of Chinese historiography

Ancient and Early Medieval Chinese Literature (vol. 3 & 4) ,2014-09-18 At last here is the long awaited first Western language reference guide focusing exclusively on Chinese literature from ca 700 B C E to the early seventh century C E Alphabetically organized it contains no less than 1095 entries on major and minor writers literary forms and schools and important Chinese literary terms In addition to providing authoritative information about each subject the compilers have taken meticulous care to include detailed up to date bibliographies and source information The reader will find it a treasure trove of historical accounts especially when browsing through the biographies of authors Indispensable for scholars and students of pre modern Chinese literature history and thought Part Three contains Xia Y Part Four contains the Z and an extensive index to the four volumes *Vulgar Beauty* Mila Zuo,2022-01-24 In *Vulgar Beauty* Mila Zuo offers a new theorization of cinematic feminine beauty by showing how mediated encounters with Chinese film and popular culture stars produce feelings of Chineseness To illustrate this Zuo uses the vulgar as an analytic to trace how racial gendered and cultural identity is imagined and produced through affect She frames the vulgar as a characteristic that is experienced through the Chinese concept of weidao or flavor in which bitter salty pungent sweet and sour performances of beauty produce non Western forms of sexualized and racialized femininity Analyzing contemporary film and media ranging from actress Gong Li s post Mao movies of the late 1980s and 1990s to Joan Chen s performance in *Twin Peaks* to Ali Wong s stand up comedy specials Zuo shows how vulgar beauty disrupts Western and colonial notions of beauty Vulgar beauty then becomes the taste of difference By demonstrating how Chinese feminine beauty becomes a cinematic invention invested in forms of affective racialization Zuo makes a critical reconsideration of aesthetic theory *Twentieth Century China* James H. Cole,2004 Emphasizing reference works published since 1964 these volumes cover books periodicals and inclusions i e chapters in edited volumes on the 1911 Revolution the Republic of China 1949 post 1911 Taiwan post 1911 Hong Kong and Macao and post 1911 overseas Chinese The United States and China Dong Wang,2021-07-28 Now fully revised and updated *The United States and China* offers a comprehensive synthesis of US Chinese relations from initial contact to the present Balancing the modern 1784 1949 and contemporary 1949 present periods Dong Wang retraces centuries of interaction between two of the world s great powers from the perspective of both sides She examines state to state diplomacy as well as economic social military religious and cultural interplay within varying national and international contexts As China itself continues to grow in global importance so too does the US Chinese relationship and this book provides an essential grounding for understanding its past present and possible futures **Missionary Spaces** Thomas

Coomans, 2024-05-02 *The spatial turn of missionary places* Situated at the crossroads of missionary history imperial history and colonial architecture this volume examines the architectural staging and spatial implications of the worldwide expansion of Christianity in the nineteenth and twentieth centuries By focusing on specific architectural fragments analysing the intersection of Christian edifices in colonial and traditional urban settings or unravelling the social understanding of missionary places each chapter strives to understand the agency of missionary spaces Bringing together scholars from different disciplines and fields this book aims to centre those missionary spaces by approaching them not merely as d cor around and within which the missionary encounter was acted but by making them part and parcel of it Through its approach *Missionary Spaces* provides a new paradigm for scrutinising the spatial turn for missionary histories and contributes to the increased attention across the humanities to space place and location since the late 1990s Space does not occur as an historical given but as a social construction to be analysed while at the same time having explanatory value of its own This book focuses on Africa and the Chinese Region with contributions on Burundi China Congo Egypt Ghana Kenya and Taiwan
