This Is What Happened Mick Herron,2018-01-30 From CWA Gold Dagger winner Mick Herron comes a shocking

twisted novel of psychological suspense about one woman's attempt to be better than ordinary Twenty six year old Maggie Barnes is someone you would never look at twice Living alone in a month to month sublet in the huge city of London with no family but an estranged sister no partner and not much in the way of friends Maggie is just the kind of person who could vanish from the face of the earth without anyone taking notice Or just the kind of person MI5 needs to infiltrate the establishment and thwart an international plot that puts all of Britain at risk Now one young woman has the chance to be a hero if she can think quickly enough to stay alive Slow Horses (Deluxe Edition) Mick Herron,2020-11-24 Welcome to the thrilling and unnervingly prescient world of the slow horses This team of MI5 agents is united by one common bond They've screwed up royally and will do anything to redeem themselves This special tenth anniversary deluxe edition of a modern classic includes a foreword by the author discussion questions for book clubs and an exclusive short story featuring the slow horses London England Slough House is where washed up MI5 spies go to while away what's left of their failed careers The slow horses as they're called have all disgraced themselves in some way to get relegated there Maybe they botched an Op so badly they can't be trusted anymore Maybe they got in the way of an ambitious colleague and had the rug yanked out from under them Maybe they just got too dependent on the bottle not unusual in this line of work One thing they have in common though is they want to be back in the action And most of them would do anything to get there even if it means having to collaborate with one another When a young man is abducted and his kidnappers threaten to broadcast his beheading live on the Internet the slow horses see an opportunity to redeem themselves But is the victim really who he appears to be **The Rat Catchers' Olympics** Colin Cotterill,2017-08-15 The 1980 Olympic Games in Moscow is already rife with controversy but when a Lao athlete is accused of murder it escalates into a full blown international incident In the twelfth entry to the series Dr Siri Paiboun and his quirky team of misfits are on the case in a city and country foreign to them yet familiar in its corruption of justice 1980 The People's Democratic Republic of Laos is proud to be competing in its first ever Olympics Of course half the world is boycotting the Moscow Summer Olympic Games to protest the Soviet Union's recent invasion of Afghanistan but that has made room for athletes from countries that are usually too small or underfunded to be competitive like Laos Ex national coroner of Laos Dr Siri Paiboun may be retired but he and his wife Madame Daeng would do just about anything to have a chance to visit Moscow so Siri finagles them a trip by getting them hired as medical advisers to the Olympians Most of the athletes are young and innocent village people who have never worn running shoes much less imagined anything as marvelous as the Moscow Olympic Village As the competition heats up however Siri begins to suspect that one of the athletes is not who he says he is Fearing a conspiracy Siri and his friends investigate liaising in secret with Inspector Phosy back home in Laos to see if the man might be an assassin Siri's progress is derailed when a Lao Olympian is accused of murder Now in the midst of a murky international incident Dr Siri must navigate not one but two paranoid government machines to make sure justice is done **Detective Inspector Huss** Helene Tursten,2004-05-01 One of the
