Listening to the Spirit in the Text Gordon D. Fee, 2000-06-26 For many years Gordon Fee one of today's foremost evangelical scholars has been asked to bring his trusted biblical expertise together with his well known passion for the gospel and the church Listening to the Spirit in the Text is his answer Gathered here are Fee's best studies and reflections on the art of attending to the biblical text critically yet with a deep spiritual sensitivity These insightful chapters cover a wide range of contemporary topics including the relationship between Bible study and spirituality gender issues worship tongues speaking church order and leadership the believer and possessions and the role of the gospel in our global society See My Body, See Me Pamela F. Engelbert, 2024-09-26 MeToo ChurchToo pentecostalsisterstoo Since 2018 hashtags and stories of sexual violence have appeared in all sectors of life from Hollywood to the Olympics from politics to religion from universities to seminaries and among pentecostals But amid all these stories of sexual abuse and assaults one may wonder if any stories of healing from sexual violence exist If so what does healing look like particularly among pentecostals who believe in divine healing Is it a single prayer of faith or a conglomeration of healing factors In true pentecostal form See My Body See Me systematically examines the healing stories of eight pentecostal survivors and the experiences of five pentecostal licensed counselors It then combines these experiences of both males and females with Scripture theology psychology and culture to provide a pentecostal perspective on healing from sexual violence As a practical theological approach See My Body See Me also offers acts of ministry to provide healing spaces by way of three embodied praxes that are historically and theologically pentecostal listening waiting and learning See My Body See Me is an invitation to participate in Christ's healing ministry to see hear and believe survivors as God sees hears and believes them **Equally Yoked** Rick McKinniss, 2009-12-29 This book is written for people who really believe in their heart or who really want to believe that God's highest ideal is for men and women to operate in a full and equal partnership yet have been led to believe that the Bible teaches otherwise In both the original creation and in the new creation God has an ideal for the genders full and equal partnership under God's headship Equally Yoked examines the teaching of the Bible on this critical topic and makes the case that this ideal of partnership is biblical and that reclaiming this ideal is essential for the church to fulfill its end time mandate to partner with God in seeing His Kingdom come to earth Why another book about men and women Rick does a great job explaining why I applaud this effort to pour more support and reason into a long overdue change in the modern day church Men and women all over the world will applaud you as well Thank you Danny Silk Family Life Pastor Bethel Church Redding CA Rick McKinniss has written a book that should engage every serious Bible student who has struggled with the issue of gender and the Kingdom of God Refusing to dodge either the difficult texts or the cultural contexts this volume responsibly examines the whole perspective of Scripture concerning the roles of men and women Dr James Mason Professor Emeritus Bethel Seminary St Paul MN Rick McKinniss is the Senior Leader of Wellspring Church in Kensington CT and is recognized

as a servant leader to pastors throughout Connecticut He is a former adjunct professor of preaching at Bethel Seminary in St Paul MN where he earned two theological degrees He and his wife Debbie have been married for 36 yrs and have four grown children

**Charism in the Church** Constant Leke Ngolefac,2024-03-01 Charism is a hot contemporary issue The growing interest in the charisms is one of the significant religious developments of our time Opinions on charisms vary to a remarkable degree Unfortunately in some cases diverse viewpoints have led to confusion among Christians On the positive side though this developing interest in charisms has contributed to spiritual renewal and stimulated biblical research in this most important area of the Church s life The exponential growth of the Charismatic Pentecostal Movement throughout the world and especially in Africa urged led to choice of this topic on charisms In the Charismatic Pentecostal Movements the issue of charisms is very vital and extremely important It is at the centre of its spirituality and practice This Movement has spread to almost all major Christian confessions denominations and continues to attract many followers This work is unique among the many studies written on the charisms Even though the subject of charisms has received some scholarly attention most have not delved into the role of the charisms in the Church from Pauline perspective as this study does The following observations and reasons demonstrate that it is still meaningful and worthwhile to study charisms in Pauline letters

**Liberating Scripture** Michael Barram,John R. Franke,2024-03-11 Rooted in and advocating for a postmodern and postcolonial understanding of mission Liberating Scripture is the first book length study designed specifically to introduce readers to the emerging subfield of biblical interpretation known as missional hermeneutics The authors provide a thoroughgoing overview of the background and development rationale terminology and methodology of missional hermeneutics doing for biblical interpretation what Missional Church edited by Darrell Guder et al 1998 did for reimagining the church in light of the missio Dei As the initial volume in the new Studies in Missional Hermeneutics Theology and Praxis series Liberating Scripture is a critical resource for study and practical application and its accessibility will make it a go to text for classrooms and congregations

**What Makes Education Catholic** Groome, Thomas H.,2021-11-17 Offers the spiritual foundations that should define suffuse Catholic education at every level to ensure that

Catholic schools are providing the education that they promise      *Kerygmatic Hermeneutics* Swee Sum Lam,2021-09-30

Kerygmatic Hermeneutics takes a reader at once into a concrete apprehension of God in his scriptural truth through flowing in the Spirit With the Spirit working with Scripture a reader navigates in a to ing and fro ing between the general claims of God and the patterns of his actions in the world and the embodiment of these general claims in the concrete particularity of contemporary living This to ing and fro ing shapes an embodied witness to the world In this account an interpretation of scriptural truth is incomplete until Christ is proclaimed in the power of the Spirit to bring life This brings the world into an encounter with God Kerygmatic Hermeneutics is an account of how one may make theology in the Pentecostal charismatic tradition This constructive theological account also yields a practice of interpretation of Scripture in a community of faith This formulation of kerygmatic theology and its hermeneutical practice opens theology to empirical enquiry and spiritual discernment in a post Christian western world This account is also existentially relevant for the global south and east especially where readers find themselves having to speak apologetically into diverse religious and spiritual practices in daily encounters      *Forming Communities of Hope in the Great Unraveling* Alan J. Roxburgh,Roy Searle,2025-05-08 In the midst of a massive unraveling where the churches find themselves disoriented and paralyzed this book invites leaders to embrace three practices formed out of God s engagements with God s people in Scripture and our traditions that direct us toward forming communities of hope      *The Gospel Arc* Jeff Hatton,2021-04-13 We need more than ever to be spoken back to life again Our endless forms of self activation in the church and culture today have proven to do little more than exhaust us make us anxious and ultimately disappoint and depress us Despite our impressive effort preaching has not escaped this prison of self entanglement Snoozing in the pew is now the good ol days as more and more people report a pathological aversion to preaching Perhaps there is a common thread leaving Jesus behind Leaving Jesus behind is the broken pattern of every human heart even the preacher s The Gospel Arc preaching model seeks to take Jesus with you in preaching It is preaching that experiences Jesus with the Bible Practically the Gospel Arc helps biblical communicators discover and display the Textual Jesus from Genesis to Revelation thereby unleashing divine energies to wake up the snoozer and finally electrify the self activator Taking Jesus with you in preaching changes everything Even preachers Can these bones live God probes the preacher Suffering from the inability to maintain a ministry the preacher gives a lame non answer Preach to bones God startles the preacher As he does stranger things happen The bones live Ezek 37 1 14      *Five Means of Grace: Leader Guide* Elaine A. Heath,2017-09-19 John Wesley gave the Methodist movement and all Christians in general a discipleship pathway to follow Wesley began with Three Simple Rules or General Rules and followed this instruction a year later with the Five Marks of a Methodist or Character of a Methodist Wesley observed the need for continuous renewal of relationships with God and others so he established a recurring annual process for God s people to make One Faithful Promise The Wesleyan Covenant for Renewal The study by Heath turns to the practices at the center of Wesley s understanding of spiritual growth

the means of grace This book study guides readers through the five means of grace that John Wesley called instituted meaning these are spiritual practices in which Jesus himself participated and which he encouraged his followers to do One of the beautiful aspects of Wesley s theology is that spiritual practices are seamlessly integrated with practices of loving our neighbors well This is why Wesley said there is no holiness but social holiness A life of genuine prayer inevitably leads to a life of hospitality mercy and justice Through this book study participants will consider how each of the five means of grace help us as communities of faith to pray more deeply and live more missionally as followers of Jesus Christ These means are the ordinary channels that God uses to draw us into a fruitful relationship These five means or channels are 1 Prayer 2 Searching Scripture 3 Receiving the Lord s Supper 4 Fasting 5 Conferencing communion fellowship

How to Read the Bible in Changing Times Mark L. Strauss,2011-08-01 Many find it difficult to take words that were written thousands of years ago and apply them to twenty first century life in the Western world How do we read God s unchanging Word in a world that is increasingly defined by change How to Read the Bible in Changing Times shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture Rather than seeing the Bible as a magic answer book a list of commands to obey or a series of promises to claim this insightful book allows the Bible to retain its identity as a complex inspired document while showing that the truth it contains is relevant and life changing It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God his will and his purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God s will on the many modern issues that the Bible does not directly address

A Few Thoughts about the Course Robert Brink,2009-03 A Few Thoughts About the Course examines several key concepts from A Course in Miracles which show that our perspective on the world around us is mistaken These key concepts are the reversal of cause and effect the belief that ideas can leave their source and level confusion which also entails a belief that the mind is dependent on the body According to A Course in Miracles our perceptions resulting from the above phenomena show us a false picture What leads to our acceptance of the misperceptions resulting from these three false concepts is perception of a state of separation being separated from each other and separated from God A Few Thoughts About the Course examines the keys to understanding how the false perspective of the perception of separation can be undone so we can return to a remembrance of our oneness with God and with all of God s creation Robert Brink has avidly practiced and studied the content of A Course in Miracles since December of 1991 His lifelong dedication to Jesus request in the gospels to seek first the kingdom of God is based on an understanding that seek first means it must be the highest priority in life His unique perspective in this regard provides valuable insight into the spiritual nature of A Course in Miracles which is also enhanced and enriched through the content of several other divinely inspired works God Calling God at Eventide The Spirit of Findhorn Opening Doors Within The Living Word and The Living Silence The striking parallels shown between similar passages from these books and A Course in Miracles help illustrate the divine spiritual nature of A Course in Miracles and also bear witness to the author s own close personal relationship with Jesus

Death in American Texts and Performances Lisa K. Perdigao,Mark Pizzato,2010 How do twentieth and twenty first century artists bring forth the powerful

reality of death when it exists in memory and lived experience as something that happens only to others Death in American Texts and Performances takes up this question to explore the modern and postmodern aesthetics of death Working between and across genres the contributors examine literary texts and performance media including Robert Lowell s For the Union Dead Luis Valdez Dark Root of a Scream Amiri Baraka s Dutchman Thornton Wilder s Our Town John Edgar Wideman s The Cattle Killing Toni Morrison s Sula and Song of Solomon Don DeLillo s White Noise and Falling Man and HBO s Six Feet Under As the contributors struggle to convey the artist s crisis of representation they often locate the dilemma in the gap between artifice and nature where loss is performed and where remembering is sometimes literally reenacted through the bodily gesture While artists confront the impossibility of total recovery or transformation so must the contributors explore the gulf between real corpses and their literary or performative reconstructions Ultimately the volume shows both artist and critic grappling with the dilemma of showing how the aesthetics of death as absence is made meaningful in and by language
