Watts, 2007-01-01 This book will walk children through the nine months of the pregnancy process in which they encountered before they entered the world Explanation is given for the use of their body parts and encouragement to accept themselves and others for who God made them to be My aim is to point out we all are created physically unique Psalm 139 13 14 in short states we are wonderfully made We all are familiar with this saying Sticks and Stones may break my bones but words will never hurt me This statement has been an untruth from the beginning Personally

I have been haunted by name calling I experienced as a child When I realized that God accepted me for who I was and what I looked like I was who he made me to be No other opinion mattered My final words to the world encourage all children to love themselves and others as God loves us Thoughts with Love for Mother Anne Geddes,2001-01-01 Thoughts with Love for Mothers and Thoughts with Love for the New Baby bring Anne Geddes extraordinary images of babies to a traditional gift book format for the first time With stunning photos taken from Geddes larger volume Little Thoughts with Love these special collections are sure to become treasured keepsakes Each features inspirational quotes and homilies from writers as diverse as William Shakespeare and H Jackson Brown Jr combined with Geddes distinctive award winning images A wide eyed tot peeks out from inside a dewy rose opposite Shakespeare s quotation What s in a name That which we call a rose by any other name would smell as sweet H Jackson Brown Jr reminds us Kiss your children good night even if they are already asleep beside a pair of winged angelic infants slumbering on a cloud These special collections are the perfect size to give to a mother to be a new mom or anyone who enjoys beautifully timeless images of children **My Mother's House** Sidonie Gabrielli Colette,1978 **My Mother Is A Midwife** Ella Kurz,2019-06-30 My mother is a midwife That means she helps mums have babies This is a beautifully illustrated book for 4 8 year old readers Proceeds from this sale benefit nonprofit organisation Library For All helping children around the world learn to read **Make it I'm the Mother** Janet McLean,Andrew McLean,2000 Pascal is playing alone cuddling the baby when the girls plan to take over Make it I m the mother says Ellen and they take the baby out to the cubby Left alone Pascal plans a revenge the baby goes missing Where could it be Pascal leads the search party all around the kindergarten Ages 4 **When I'm the Mommy** Andrea Suzanne Tee,Margaret Anne Tee,2023-03-14 Meet Gwendolyn A little girl with big ideas about how she would do things differently for her own little girl once she is the mommy Gwendolyn shares each of her ideas with her Teddy a stuffed toy dog as they hang out on the swingset together Teddy is a little skeptical and has different ideas about how her imagined perfect mommy actions would play out Based on Gwendolyn s grandmother s original unpublished book this book is designed to be a fun family heirloom for the author and her family Check out the inspiration pages for the story inside **The Mother and Her Child** Lena Kellogg Sadler,2017-06-03 THE EXPECTANT MOTHER There can be no grander more noble or higher calling for a healthy sound minded woman than to become the mother of children She may be the colaborer of the business man the overworked housewife of the tiller of the soil the colleague of the professional man or the wife of the leisure man of wealth nevertheless in every normal woman in every station of life there lurks the conscious or sub conscious maternal instinct Sooner or later the mother soul yearns and cries out for the touch of baby fingers and for that maternal joy that comes to a woman when she clasps to her breast the precious form of her own babe MOTHERHOOD THE HIGHEST CALLING Motherhood is by far woman s highest and noblest profession Science art and careers dwindle into insignificance when we attempt to compare them with motherhood And to attain this high profession to reach this manifest goal of destiny women

are seeking everywhere to obtain the best information and the highest instruction regarding mothercraft babyhood and child culture In an Indiana town not long ago at the close of a lecture a small intellectual appearing mother came forward and tenderly placing her tiny and emaciated infant in my arms said O Doctor can you help me feed my helpless babe I m sure it is going to die Nothing seems to help it My father is the banker in this town I graduated from high school and he sent me to Ann Arbor and there I toiled untiringly for four years and obtained my degree of B A I have gone as far as I could spent thousands of dollars of my unselfish father s money but I find myself totally ignorant of my own child s necessities I cannot even provide her food O Doctor can t something be done for young women to prepare them for motherhood

MOTHERCRAFT PREPARATION The time will come when our high and normal schools will provide adequate courses for the preparation of the young woman for her highest profession motherhood This young mother who had reached the goal of Bachelor of Arts found to her sorrow that she was entirely deficient in her education and training regarding the duties and responsibilities of a mother In every school of the higher branches of education that train young women in their late teens there should be a chair of mothercraft providing practical lectures on baby hygiene dress bathing and the general care of infants and giving instruction in the rudiments of simple bottle feeding together with the caloric values of milk gruels and other ingredients which enter into the preparation of a baby s food Young women would most enthusiastically enroll for such classes and as years passed and marriage came and children to the home imagine the gratitude that would flood the souls of the young mothers who were fortunate enough to have attended schools where the chairs of motherhood prepared them for these new duties and responsibilities
