Haunting Joy: The Complete Series Lena Goldfinch, 2018-10-01 This complete series edition includes Haunting Joy Books 1 2 and Chain Reaction a short story

Book 1 The ghost of Beth sweeps seventeen year old Joy into an extraordinary journey to complete some unfinished business and challenges her to make some dangerous choices Like calling Joy s high school crush Nick for help A soft sliding kind of sigh wakes me up It s hardly a noise at all I blink to clear my sticky early morning vision I know I heard a sound an almost human sounding sigh coming from the corner of my room As I slide my gaze that way a chill slithers over me My room feels creepy and strange I peer into the corner and the white dress is no longer heaped in a haphazard pile on my armchair It s laid out nice and neat with the straps up over the back cushion and the skirt spread over the seat The flip flops are sitting side by side in front of the chair toes pointed toward me Like there s an empty girl in an empty dress looking right at me

Book 2 I step out of the shower into my steamy bathroom Then I see it I whip a towel around me so fast I almost wipe out on the tile floor Because apparently I m being haunted again By a boy who scrawled KYLE across my bathroom mirror with his ghostly finger Joy s new ghost Kyle crashes into her life disrupting her senior year and complicating her relationship with Nick Which is already complicated enough Haunting Joy The Complete Series is part slightly spooky ghost story part sweet romance wrapped in one For teens and young adults

Reviews A sweet and charming ghost story that completely won me over

Lena Coakley Witchlanders A sweet creative mystical journey Marley Gibson bestselling author of the Ghost Huntress series Haunting Joy is an enchanting story of a young girl a haunted thrift store dress and a journey of discovery Joy is immediately drawn to a white dress she finds in a sack of thrift stores finds given to her by her grandmother Intrigued by the connection she feels to the dress she sets out to find out more about the previous owner Not only does Joy find out more about the dress and its owner she also makes some interesting discoveries about herself I enjoyed this YA Light Paranormal story Britney
