Understanding BFSU BFSU is for teachers homeschoolers and other educators to deliver a first rate science education to K 8  
students and older beginning science learners Vol I here is for grades K 2 and older beginning science learners Volumes II  
and III are for grades 3 5 and 6 8 and older progressing science learners BFSU provides both teaching methodologies and  
detailed lesson plans embracing and integrating all the major areas of science BFSU lessons follow structured learning  
progressions that build knowledge and develop understanding in systematic incremental steps BFSU lessons all center  
around hands on experience and real world observations In turn they draw students to exercise their minds in thinking and  
drawing rational conclusions from what they observe experience Therefore in following BFSU students will be guided toward  
conceptual understanding of crosscutting concepts and ideas of science as well as factual knowledge and they will develop  
mind skills of scientific thinking and logical reasoning in the process Implementing BFSU requires no particular background  
in either science or teaching Teachers parents can learn along with their children and be excellent role models in doing so  
Already widely used and acclaimed in its 1st edition form this second edition of BFSU contains added elements that will make  
it more useful in bringing students to master the Next Generation Science Standards NGSS La Biblioteca B. A.
