About the Novel: The *Lightning Thief* follows the mythical adventures of a young boy with a legendary destiny. Twelve-year-old Percy Jackson is close to being kicked out of another boarding school. But his real concern is the figures from Greek mythology who seem intent on killing him. On a school trip, Percy is attacked by one of his chaperones. He learns this person is really a Fury, a Greek deity of vengeance. With a magic sword tossed to him by his Latin teacher, Percy successfully kills the creature. He soon learns that he is in fact a demigod, half human and half Greek god. He makes his way to a summer camp for other demigods. Here he learns of his true parentage and why he struggles so much in school. Things get even stranger for Percy when he is thrust into a quest that can either save the world or doom him forever.
