often experimental In these interviews Henley speaks of the plays from her early crowd pleasers Crimes of the Heart and The Miss Firecracker Contest to her more experimental plays including The Debutante Ball and Control Freaks to her brilliant and time bending play The Jacksonian Henley is a master at writing about the duality of human experience the beautiful and the grotesque the cruel and the loving This duality provokes in Henley both amazement and compassion She discusses here not only her admiration for Chekhov and other influences but also her process of bringing a play from notebooks of images and bits of dialogues through rumination writing and rewriting to rehearsals and previews The interviews range from 1981 just before she won the Pulitzer Prize to 2020 and cover nearly forty years of a creative life which as Henley remarks in the most recent interview is such a life worth living to be in tune with the creative process *Mainstream AIDS Theatre, the Media, and Gay Civil Rights* Jacob Juntunen, 2016-01-29 This book demonstrates the political potential of mainstream theatre in the US at the end of the twentieth century tracing ideological change over time in the reception of US mainstream plays taking HIV AIDS as their topic from 1985 to 2000 This is the first study to combine the topics of the politics of performance LGBT theatre and mainstream theatre s political potential a juxtaposition that shows how radical ideas become mainstream that is how the dominant ideology changes Using materialist semiotics and extensive archival research Juntunen delineates the cultural history of four pivotal productions from that period Larry Kramer s The Normal Heart 1985 Tony Kushner s Angels in America 1992 Jonathan Larson s Rent 1996 and Moises Kaufman s The Laramie Project 2000 Examining the connection between AIDS mainstream theatre and the media reveals key systems at work in ideological change over time during a deadly epidemic whose effects changed the nation forever Employing media theory alongside nationalism studies and utilizing dozens of reviews for each case study the volume demonstrates that reviews are valuable evidence of how a production was hailed by society s ideological gatekeepers Mixing this new use of reviews alongside textual analysis and material study such as the theaters locations architectures merchandise program notes and advertising creates an uncommonly rich description of these productions and their ideological effects This book will be of interest to scholars and students of theatre politics media studies queer theory and US history and to those with an interest in gay civil rights one of the most successful social movements of the late twentieth century **Vince Guaraldi at the Piano, 2d ed.** Derrick Bang, 2024-05-15 Although Vince Guaraldi s playful jazz piano themes for the early Peanuts animated television specials are well known the composer himself remains largely unheralded More than merely the Peanuts guy Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman and garnered Top 40 fame with his Grammy Award winning hit Cast Your Fate to the Wind This career study extensively updated gives Guaraldi long overdue recognition chronicling his years as a sideman his attraction to the emerging bossa nova sound of the late 1950s his collaboration with Brazilian guitarist Bola Sete his development of the Grace Cathedral Jazz Mass his selection as the fellow to put the jazz swing in Charlie Brown s step and his emergence as a respected veteran in the declining Northern California jazz club scene

of the 1970s Ironically his place in the jazz universe has grown exponentially since this book's initial 2012 publication and this second edition acknowledges such honors and features a wealth of new material Five Or Six Characters in Search of Toronto and Other Plays Rana Bose, 1998 Rana Bose Is An Intellectual Dissenter All His Plays Highlight The Theme Of Rahul Varma's Art And His Commitment To Challenging The Inequities Imposed On New Immigrants In Canada In The Title Play He Enters New But Related Territory The Encroachment Of Commercial Technology On The First Nations
