Lincoln and Shakespeare Michael Anderegg, 2021-02-19 It was the measure of Shakespeare's poetic greatness an early commentator remarked that he thoroughly blended the ideal with the practical or realistic If this be so Walt Whitman wrote I should say that what Shakespeare did in poetic expression Abraham Lincoln essentially did in his personal and official life Whitman was only one of many to note the affinity between these two iconic figures Novelists filmmakers and playwrights have frequently shown Lincoln quoting Shakespeare In *Lincoln and Shakespeare* Michael Anderegg for the first time examines in detail Lincoln's fascination with and knowledge of Shakespeare's plays Separated by centuries and extraordinary circumstances the two men clearly shared a belief in the power of language and both at times held a fatalistic view of human nature While citations from Shakespeare are few in his writings and speeches Lincoln read deeply and quoted often from the Bard's work in company a habit well documented in diaries letters and newspapers Anderegg discusses Lincoln's particular interest in *Macbeth* and *Hamlet* and in Shakespeare's historical plays where we see themes that resonated deeply with the president the dangers of inordinate ambition the horrors of civil war and the corruptions of illegitimate rule Anderegg winnows confirmed evidence from myth to explore how Lincoln came to know Shakespeare which editions he read and which plays he would have seen before he became president Once in the White House Lincoln had the opportunity of seeing the best Shakespearean actors in America Anderegg details Lincoln's unexpected relationship with James H Hackett one of the most popular comic actors in America at the time his letter to Hackett reveals his considerable enthusiasm for Shakespeare Lincoln managed in the midst of overwhelming matters of state to see the actor's Falstaff on several occasions and to engage with him in discussions of how Shakespeare's plays should be performed a topic on which he had decided views Hackett's productions were only a few of those Lincoln enjoyed as president and Anderegg documents his larger theater going experience recreating the Shakespearean performances of Edwin Booth Charlotte Cushman Edwin Forrest and others as Lincoln saw them
