Linguistic Approaches To Emotions In Context Pragmatics Beyond New Series:

Linguistic Approaches to Emotions in Context Fabienne Baider,Georgeta Cislaru,2014-03-15 This book presents new issues in the study of the interface of emotions and language and their use in social context Two fundamental questions are tackled the way different languages encode emotional information and the core role emotions play in languages structure use and learning Seldom treated means of expressing emotions such as interjections conditionals scalarity allocentric constructions the social and professional impact of emotions and the latest developments in the interface of speech recognition emotions are some of the key contributions to this volume The cross cultural perspective contrasts new couples of languages among which Australian aboriginal languages Cypriot Greek Italian Japanese Romanian Russian and addresses sociolinguistic pragmatic and discursive issues Most of the papers attempt interesting theoretical articulations that aim at a better understanding of the linguistic and sociolinguistic nature of emotions This book will be highly relevant for students and researchers interested in emotions semantics pragmatics discourse analysis as well as prosody and philosophy of language

The Routledge Handbook of Semantics Nick Riemer,2015-07-30 The Routledge Handbook of Semantics provides a broad and state of the art survey of this field covering semantic research at both word and sentence level It presents a synoptic view of the most important areas of semantic investigation including contemporary methodologies and debates and indicating possible future directions in the field Written by experts from around the world the 29 chapters cover key issues and approaches within the following areas meaning and conceptualisation meaning and context lexical semantics semantics of specific phenomena development change and variation The Routledge Handbook of Semantics is essential reading for researchers and postgraduate students working in this area

Language, Expressivity and Cognition Mikolaj Deckert,Piotr Pezik,Raffaele Zago,2023-01-26 Providing an up to date multi perspective and cross linguistic account of the centrality of the expressive function in communication this book explores the conceptualization of emotions in language and the high emotional temperature of a variety of contemporary discourses Adopting a number of methodological angles both qualitative and quantitative the chapters present insights from cognitive linguistics critical discourse analysis corpus linguistics and sociolinguistics as well as those resulting from the combination of these approaches Using a wide variety of data types from song lyrics and TV series to Twitter posts and political speeches and through the analysis of a range of languages including Arabic English Polish Italian Hungarian and Turkish the book offers a panoramic view of the multi faceted interaction between language expressivity and cognition

The Pragmatics of Managing Negative Emotions in a Chinese Context Rong Lei,2024-09-19 Drawing from rich naturally occurring language data and synthesizing insights from the fields of interpersonal pragmatics and Chinese interpersonal communication this book presents a compelling exploration of the management of negative emotions through an interpersonal pragmatics lens The volume seeks to answer a number of key questions at the intersection of these two fields including how do negative interpersonal emotions manifest in the context

of Chinese culture What connections exist between emotions and interpersonal dynamics In what ways are these emotions intertwined with the moral framework of Chinese society How are such negative emotions effectively navigated and regulated The analysis goes beyond mere examination of emotional expressions delving into the cultural nuances that shape the understanding and handling of emotions The book elucidates for instance how unmet ganqing expectations can trigger emotions like anger and sadness and in turn the employment of rapport management strategies in their mitigation The book provides profound insights into a previously overlooked and little understood area of study making it of interest to students and researchers in pragmatics discourse analysis communication studies and psychotherapy

Middle and Modern English Corpus Linguistics Manfred Markus, Yoko Iyeiri, Reinhard Heuberger, Emil Chamson, 2012-04-11 This book brings together a variety of approaches to English corpus linguistics and shows how corpus methodologies can contribute to the linking of diachronic and synchronic studies The articles in this volume investigate historical changes in the English language as well as specific aspects of Middle and Modern English and moreover of English dialects The contributions also discuss the development of English corpus linguistics generally and its potential in the future Special focus is given to the continuity between Middle and Modern English much in line with the linking in previous studies of Middle English and Old English under the generic term medievalism This volume highlights the continual development of English from the medieval to modern period

Yearbook of Corpus Linguistics and Pragmatics 2014 Jesús Romero-Trillo, 2014-06-02 The Yearbook of Corpus Linguistics and Pragmatics addresses the interface between the two disciplines and offers a platform to scholars who combine both methodologies to present rigorous and interdisciplinary findings about language in real use Corpus linguistics and Pragmatics have traditionally represented two paths of scientific thought parallel but often mutually exclusive and excluding Corpus Linguistics can offer a meticulous methodology based on mathematics and statistics while Pragmatics is characterized by its effort in the interpretation of intended meaning in real language This series will give readers insight into how pragmatics can be used to explain real corpus data and also how corpora can illustrate pragmatic intuitions The present volume Yearbook of Corpus Linguistics and Pragmatics 2014 New Empirical and Theoretical Paradigms in Corpus Pragmatics proposes innovative research models in the liaison between pragmatics and corpus linguistics to explain language in current cultural and social contexts

Current Trends in the Pragmatics of Spanish Rosina Márquez Reiter, María Elena Placencia, 2004-07-29 Current Trends in the Pragmatics of Spanish provides the reader with a representative spectrum of current research in the most dynamic areas of the pragmatics of Spanish It brings together a collection of academic essays written by well established as well as emerging voices in Hispanic pragmatics The essays include applications of pragmatic concepts to sub fields of Spanish linguistics i e pragmatics and grammar pragmatics and applied linguistics pragmatics and cross and inter cultural communication studies of traditional topics in pragmatics i e discourse markers politeness metaphor humour as well as a proposal to amalgamate the dominant pragmatic approaches

namely socio pragmatics and cognitive pragmatics into one comprehensive model The essays in this collection represent both new theoretical and empirical research and as such they constitute a valuable contribution to the field of pragmatics in general and an essential reference to those researching the pragmatics of Spanish Research Trends in Intercultural Pragmatics Istvan Kecskes, Jesús Romero-Trillo, 2013-10-29 This volume looks at current issues in Intercultural Pragmatics from an applied perspective The content is organized in three sections that encompass the primary applications of

intercultural exchanges the linguistic and cognitive domain the social and cultural domain and the discourse and stylistics domain The chapters analyze real language situations in English Russian Chinese Portuguese Spanish Greek Filipino or Polish **Studies in Ethnopragmatics, Cultural Semantics, and Intercultural Communication** Lauren Sadow, Bert Peeters, Kerry Mullan, 2019-10-23 This book is the third in a three volume set that celebrates the career and achievements of Cliff Goddard a pioneer of the Natural Semantic Metalanguage approach in linguistics This third volume explores the potential of Minimal English a recent offshoot of the Natural Semantic Metalanguage with special reference to its use in Language Teaching and Intercultural Communication Often considered the most fully developed comprehensive and practical approach to cross linguistic and cross cultural semantics Natural Semantic Metalanguage is based on evidence that there is a small core of basic universal meanings semantic primes that can be expressed in all languages It has been used for linguistic and cultural analysis in such diverse fields as semantics cross cultural communication language teaching humour studies and applied linguistics and has reached far beyond the boundaries of linguistics into ethnopsychology anthropology history political science the medical humanities and ethics **American Book Publishing Record** ,2006 **Emotive**

Interjections in British English Ulrike Stange, 2016-01-21 **Emotive Interjections in British English** A corpus based study on variation in acquisition function and usage constitutes the first in depth corpus based study on the use of emotive interjections in Present Day British English In a novel approach it systematically distinguishes between child and adult speakers providing new insights into how they use Ow Ouch Ugh Yuck Whoops Whoopsadaisy and Wow in everyday spoken language It studies in detail their acquisition by children and pinpoints changes and developments in their use throughout early childhood The study highlights particularities displayed by child and adult speakers in general and identifies crucial differences regarding how adults use emotive interjections depending on whether they are interacting with children or other adults This book thus offers an exhaustive overview on the functions of emotive interjections based on thorough empirical research and will appeal to linguists concerned with pragmatics child language acquisition the expression of emotion and interjections **Innovative studies in organized helping: Transforming relations, emotions and referents through sequentially structured practices** Claudio Scarvaglieri, Peter Muntigl, Eva-Maria Graf, 2024-04-22 **Inchoative Emotion**

Verbs in Finnish Maximilian Murmann, 2019-05-27 The volume investigates the syntagmatic relations of certain Finnish emotion verbs that are formed by the derivational suffix *ua* y e g *suuttua* get angry *pelsty* get frightened Prototypically the

suffix expresses reflexivity but in the case of the inchoative emotion verbs it indicates a change of state on behalf of the experiencer from a non emotional state to an emotional state The starting point of the investigation is a discussion of different psychological theories of emotion The discussion shows that constructivist theories particularly emphasize the role of language and offer several links to the cognitive usage based model of language that constitutes the theoretical framework guiding the thesis With regard to the usage based model special focus will be put on argument structures and stimulus nouns The empirical part makes use of different forms of co occurrence analysis in order to shed light the syntagmatic relations of the inchoative emotion verbs Inchoative Emotion Verbs in Finnish won the 2019 Doctoral Dissertation Award of the Society for the Study of Finnish Kotikielen Seura *Approaches to Language, Culture, and Cognition* M.
