Vervaeck,2012 Jan Walravens 1920 1965 played a central role in Flemish literature as he introduced and facilitated literary
experiments after the Second World War He was a leading essayist and literary critic who wrote thousands of reviews
showing the younger generation the way to French existentialism and to the international avant garde In addition to novels
and shorter fiction he published in depth philosophical essays on Kierkegaard Sade and Sartre His international network of
artistic relations turned him into a central figure in the Flemish literary world a position he held until his untimely death at
the age of forty five Jan Walravens and the Experiment presents ten essays that chart the various aspects of Walravens
immense activity his philosophical thinking on Sade his relation with the visual arts his position as an avant gardist his
defense of poetry old and new his view on the French nouveau roman his novels and his propagation of a new kind of literary
diary The authors have used the Walravens archive and unearthed some material that has never before been brought to the
public s attention most notably the facsimile of a cadavre exquis Walravens created with Albert Bontridder and Florent
