Guide To The Present Moment:

How to Live in the Moment Charmagne Matthews, 2015-03-18 In today's hectic and busy world the idea of being free of worries seems like an impossible fantasy. We have taxes to pay, bills to take care of, a roof to keep over our heads and the corporate grind to deal with. The alternative is to live in a tent on some isolated island somewhere and forage off the land, though come to think of it, even that comes with its own set of worries. Doesn't it? Of course, in small doses, worrying is not necessarily bad in itself. When it's a consistent presence filling your life with dread, however, then that's another thing entirely. There's a vast body of medical evidence proving that constant worrying can lead to a whole host of mental, physical, and psychological problems. The good news is that for those who refuse to accept living in a constant state of anticipation and anxiety, there is a way. And yes, it's actually doable and it really works. It's all about living in the present moment and dealing with each situation as it arises. Millions, if not more, have perfected different methods of living in the present moment throughout the centuries, techniques which more and more Americans are discovering and benefitting from. This book distills those methods into simple, easy-to-do exercises which require no special equipment or expense. The only things you need are time, desire, effort, and practice.

Living in the Moment Life Success Books, 2017-09-08 Would you like to radically change your life for the better? The current moment is the only moment we truly have to be joyful, to be awake to our surroundings, and to be mindful. Learn how to be there for yourself and be fully present in your life.

Mindfulness for Beginners Vern Lovic, 2017-01-02 Mindfulness and Meditation are a Team. If you're meditating, you'll also enjoy practicing mindfulness as taught here in this very simple-to-understand book. This book goes well with my meditation book, *Meditation for Beginners: A 22 Day Course*, you can also find here at Amazon. With metta, Vern L.

How to Live in the Now Ernest Svendsen, 2020-01-19 A Practical Guide to Living Life in the Present Moment. This moment is it. It is everything. It is all there is, and the solution to any difficulty in your life is to be found here and here alone. Based on more than 25 years of experience, bestselling author and facilitator Ernest Holm Svendsen takes you on the most important journey of your life: The journey from the prison of your mind to the vitality and aliveness of the present moment. In his down-to-earth style and using practical exercises and experiments, Ernest shows you exactly how to change your life by shutting down your autopilot and waking up to the spontaneous joy of being in the present moment. Through clear explanations and step-by-step guidance, *How to Live in the Now* offers a practical path to living life in the present moment, which is available to anyone, no matter their life circumstances. Learn how to be in the present moment. Learn how to let go of anxiety and worried thoughts. Learn how to create deep connections with others. Learn how to stop seeking approval and be yourself. I loved this book and how it taught me to live life in the present. From the precise and easy-to-understand explanations to the simplicity of the practices, it has made such a difference for me. It was as if I could weave your instructions as a thread through my very busy life as a working parent. I have spent so much time not living in the present, and I can't begin to express what getting better at living now has

brought to my marriage the relationship to my children and my work life I've read so many books on how to live in the present Being present in the moment is the most important topic in life but it is so often misunderstood Your book really clears it up and the training program is just perfect Thank you for this little gem making everyone better at living in the now

This Moment Matt Valentine, 2016-03-04 A Step by Step Practice Guide for Living More Fully and Freely in the Present Moment with Mindfulness and Loving Kindness We all want the same thing We all want to realize freedom we all want to discover true peace and happiness by coming to a place where we can live fully and freely in this moment as it is That's all any of us ever want out of our lives no matter what our efforts look like on the outside But most of us lack clarity and this lack of clarity misguides us to pursuits such as the collection of wealth fame and power in an attempt to fill the void we feel in our hearts But none of these things will ever fill us up and until we realize this we'll never become truly fulfilled and at peace In each moment we have an appointment with the present moment And when we miss that appointment we miss our appointment with life This more than anything is the reason for our pain suffering and discontent But mindfulness by itself isn't enough There is so much that can get in the way of our practice so many challenges that we're faced with and other important qualities that need to be cultivated You need a complete plan if you wish to live more fully and freely in the present moment And that's why I wrote This Moment This Moment is for Beginners just starting with the practice of mindfulness meditation and whom who don't know exactly where to start Those who have practiced for some time but are experiencing challenges in their life and practice Anyone who has found pain and suffering through personal especially intimate relationships be it through separation or the loss of a loved one and wants to heal those wounds As well as for those simply desiring to live a happier and more peaceful life and who want a more thorough step by step guide for bringing that to life in an effective way that doesn't ignore the fact of life's many challenges This Moment doesn't feed you a bunch of fluff and feel good words it's a practical and insightful guide to navigating the challenges of daily life more skillfully and coming out the other end happier and more at peace Life is multifaceted and you can't ever hope to be happy and at peace if you ignore your challenges and difficulties It's in facing those very challenges that we discover peace and happiness This Moment takes you through a step by step practice for designing an environment and life more conducive to peace happiness and self love plus it helps you work through many of the major challenges that keep us from living in peace and realizing true freedom Let This Moment be your guide and a loving companion to a life lived more fully and freely in this moment by learning to touch the peace of the present moment with all of your being
