the writer should just type words until the pages are filled. Rambling freeform narratives are not what most writing instructors hope to see. There is a better method and it can be found in this short booklet. This booklet explains everything the writer needs to generate a successful narrative essay in step by step fashion. Starting with a story goal, proceeding through a timeline and finishing with two targeted paragraphs, this booklet will turn a blank screen into a finished paper.

*A+ Guide to Five-Paragraph Essays* Alison Plus, 2012-03-07

This is not a textbook

This booklet contains very little writing theory or explanation of rhetorical concepts

Instead it is a step by step method for writing a five paragraph paper from the assignment through the final proofreading

Using sentence formulas, paragraph templates, and detailed checklists, the writer will be able to plug in subject matter for their assigned papers and build a finished product that is organized correctly

For writers who need to create a five paragraph 2-3 page paper, this booklet will guide them through the process of getting the words down on the page

It does not matter if that paper is meant to be informative or persuasive

Regardless of tone or style, this booklet can guide the writer through to a finished paper
