

Wild Edibles

Scandinavia & Finland

Wild Edibles is a comprehensive guide to the many wild plants and mushrooms that are edible in Scandinavia and Finland. This book is a treasure trove for anyone interested in foraging, providing detailed information on the identification, distribution, and uses of these wild foods. The book is divided into four main sections, each covering a different type of wild edible: herbs, berries, mushrooms, and nuts. Each section contains a list of plants, followed by a detailed description of each plant, including its appearance, habitat, and the parts that are edible. The book is illustrated with numerous color photographs of the plants, making it easy to identify them in the field. The book is written in a clear, concise, and accessible style, making it suitable for both beginners and experienced foragers. The book is a valuable resource for anyone who wants to learn more about the wild edibles of Scandinavia and Finland.
