Guide To Getting It On:

Safety and Ethics in Healthcare: A Guide to Getting it Right Bill Runciman, Alan Merry, Marilyn Walton, 2017-05-15

As more and more people survive into old age the burden of caring for them becomes greater and greater. Although it is now possible to alleviate many of the afflictions that beset mankind, no society can afford to pay for all the healthcare that is now available or technically possible. People working in healthcare increasingly have to do more with less. Rationing takes many forms, mostly covert, and the less privileged in most societies end up struggling to get their proper share of the available healthcare resources. All too often those in the front line have to deal with the consequences of this rationing by default: healthcare professionals find themselves rushed off their feet simply doing the basic tasks and completing all the paperwork, placing frail sick people in ever lengthening queues, sometimes asking them to wait for hours in the middle of the night under uncomfortable and even unsafe conditions, and worst of all working under conditions they would rather avoid in which the safety margin for those they are caring for has been greatly diminished. We are all aware that under these conditions the chance of making a mistake which can seriously harm or even lead to the death of a patient is greatly increased. But what can be done about this? How can you be sure that you are doing the right thing when faced with having to practise an uncertain science on vulnerable patients in a complex system under ever changing conditions? At what point could you cross the invisible line from reasonable to irresponsible or unethical behaviour by tolerating conditions or tacitly accepting practices which may be regarded as unacceptable even though you may have little immediate control over them? This book is a guide to getting it right for healthcare professionals. It is about doing the right thing in the right way at the right time for the right people. These are the dimensions of quality in healthcare, and although some are in conflict, equitable access and efficiency, for example, adherence to ethical practice and professional behaviour will help lead healthcare practitioners through the minefield of responsibilities and priorities. Real life situations are integral to the book, with over 500 clinical examples referred to within the text.

Girls' Guide to Getting It Together Amber Lindley, 2014-08-04 A brilliant new life in seven easy to follow steps. What could possibly go wrong? At twenty-four, Megan Riley has a boring job and a humdrum life. Then she stumbles across a magazine article called 'How to Be a Confident Woman'. Her flatmate Zara thinks it's daft, but Megan is certain that this list is her path to a more exciting future. Clearing the chocolate stash out of her desk and investing in good lingerie are simple enough. It's the part about asking out a guy who's way out of her league that's a disaster waiting to happen. Liam Wiseman is gorgeous, funny, and totally not into Megan. It's almost enough to drive her into the arms of the successful London lawyer Megan's mum has picked out for her. Almost. As Megan strides boldly from one misadventure to the next, she discovers that being a strong independent woman doesn't mean wearing an expensive bra or learning to make a chicken curry. True confidence means being herself, and being herself might just result in finding love along the way.

The Slowpoke's Guide to Getting It Right Conway Sean Conway, Sean Conway, 2009-09 From the author of *Gillis Huckabee* comes

Sean Conway's powerful first collection of short stories. In storySouth Magazine's Million Writer's Award nominated *Scratch* a divorced man tries to control a raging breakout of poison ivy while his personal life erupts violently out of control. In *Ashes* an unemployed laborer is unable to look forward so consumed by his role in devastating events of the past. And in *January Thaw* a single mother struggles to let go of the life she once envisioned for the uncharted path of her present when her recently widowed father moves in with her and her young son. Despite its title *The Slowpoke's Guide to Getting It Right* is not in fact a guide. It is not a how-to book. If anything, these stories combine to form a how-not-to guide. Sean Conway's characters distract themselves from facing truths; they blame others for their own tragic decisions; they find themselves suddenly unprepared face-to-face with life situations that they should have seen coming a mile away but like many of us missed. Like many of us perhaps even all of us they're slowpokes.

The Twentysomething Guide to Getting It Together
Mary Traina, 2014-06-15
Your guide to making it as a real-life grownup. Like a lot of people, author Mary Traina spent her early twenties making a mess out of her life until she realized it was time to toss the red Solo cups and finally grow up. In *The Twentysomething Guide to Getting It Together* she teaches you how to bust out of your rut with practical advice for kicking your bad habits, taking action toward your goals, and moving on to the next stage of your life as an adult. From answering tough relationship questions to advancing your career, she'll tackle all your biggest issues as well as give you a step-by-step plan for getting through your twenties in one piece. Through Traina's signature humor, research, and real-world tips, this groundbreaking guide shows you how to: Date a real man. Escape entry-level hell. Stop binge drinking and overeating. Emerge from a mountain of debt. Cut those toxic friends of convenience. With the same hip-pop culture references and endless wit that landed her a regular column on Zooey Deschanel's website, Mary Traina makes getting life together fun, easy, and gasp, the cool thing to do.

A Guide to Getting It
Marilyn Schwader, Teresa Aziam, Michele Corey, 2003-05
The pages in this book comprise a unique guide that will allow you to gain access to powerful life-changing insights, examples, and exercises to help you create a clear, compelling vision for your life. Be prepared to re-discover your dreams and desires to see how you can have the kind of life you've always hoped for and to discover ways to put the ideas into motion.

The Guide to Getting it On!
Paul Joannides, 1999
New edition of this explicit guide to sex. There are illustrated chapters on almost every aspect of lovemaking and its style. A kind of Rough Guide to Sex will appeal and communicate to almost everybody.

Planning the Perfect Wedding: A Guide to Getting It Right From Proposal to Reception
Pasquale De Marco, 2025-07-10
In the realm of matrimony where hearts intertwine and dreams collide stands a figure often overlooked yet essential to the grand spectacle: the groom.
