A Family Guide to the Biblical Holidays Robin Sampson,Linda Pierce,2001 This giant resource gives an extensive look at the nine annual holidays Passover Unleavened Bread Firstfruits Pentecost Trumpets Day of Atonement Tabernacles Hanukkah Purim and the Sabbath

The Protestant-Jewish Conundrum Jonathan Frankel,Ezra Mendelsohn,2010-08-25 Volume XXIV of the distinguished annual Studies in Contemporary Jewry explores relations between Jews and Protestants in modern times Far from monolithic Protestantism has innumerable groupings within it from the loosely organized Religious Society of Friends to the conservative Evangelicals of the Bible Belt all of which hold a range of views on theology social problems and politics These views are played out in differing attitudes and relationships between Protestant churches and Jews Judaism and the state of Israel In this volume established scholars from a variety of disciplines investigate the Protestant Jewish conundrum They provide analysis of the historical framework in which Protestant ideas toward Jews and Judaism were formed from the 16th century onward Contributors also delve into diverse topics ranging from the attitudes of the Evangelical movement toward Jews and Israel to Protestant reactions to Mel Gibson's blockbuster film The Passion of the Christ They also address German Protestant behavior during and after the Nazi era and mainstream Protestant attitudes toward the Israeli Arab conflict Taken as a whole this compendium presents discussions and questions central to the ongoing development of Jewish Protestant relations

Thinking About National Security Donald M. Snow,2015-07-16 A Choice Outstanding Academic Title for 2016 Perhaps the most basic national security question that U S leaders and the body politic continuously face is where and under what circumstances to consider and in some cases resort to the use of armed force to ensure the country's safety and well being The question is perpetual but the answer is not This insightful text helps students make sense of the ever changing environment and factors that influence disagreement over national security risks and policy in the United States The book takes shape through a focus on three considerations strategy policy and issues Snow explains the range of plans of action that are possible and resources available for achieving national security goals as well as the courses of action for achieving those goals in the context of a broad range of security problems that must be dealt with However there is little agreement among policymakers on exactly what is the nature of the threats that the country faces Snow helps readers frame the debate by suggesting some of the prior influences on risk assessment some of the current influences on national security

debates and suggestions for how future strategy and policy may be shaped

The Holy One of Israel Lenn E. Goodman, 2019-11-04 The Holy One of Israel is a philosophical exploration of that remarkable and distinctively Jewish idea that God is everywhere yet not in space Drawing on biblical rabbinic and philosophic sources not as fonts of authority but as touchstones of authenticity Lenn E Goodman argues that divine immanence and transcendence are inseparable a thought captured in Isaiah's epiphany Holy holy holy The Lord of hosts The fill of all the earth is His glory

Legal Exegesis of Scripture in the Works of Josephus Michael Avioz, 2020-11-12 Michael Avioz builds upon his earlier work on Josephus as an exegete providing a comprehensive study of Josephus' contribution to the crystallization of the Halakha which focuses on the similarities and dissimilarities between his work and the tannaitic sources as well as contemporary Second Temple sources Avioz begins by providing a clear definition of Halakha and offering an explanation of methodology and sources He then examines the structure and contents of the Pentateuch in Josephus' writing before moving on to more specific coverage of the Decalogue in the work of Josephus and its relation to other laws in the Pentateuch Further analysis is applied to the laws in the books of Leviticus Deuteronomy and on laws that appear outside the Pentateuch Throughout Avioz makes close comparisons between biblical laws and Josephus' rewriting of them in order to consider the reasons behind this rewriting and the origins of the texts that Josephus may have had access to in his exegetical work Avioz is consequently able to draw clear conclusions about the interpretative traditions that Josephus had access to and worked within and about how he used them in his writing

From the Maccabees to the Mishnah, Third Edition Shaye Cohen, 2014-11-22 This is the third edition of Shaye J D Cohen's important and seminal work on the history and development of Judaism between 164 BCE to 300 CE Cohen's synthesis of religion literature and history offers deep insight into the nature of Judaism at this key period including the relationship between Jews and Gentiles the function of Jewish religion in the larger community and the development of normative Judaism and other Jewish sects Cohen offers students more than just history but an understanding of the social and cultural context of Judaism as it developed into the formative period of rabbinic Judaism This new edition includes a brand new chapter on the parting of ways between Jews and Christians in the second century CE From the Maccabees to the Mishnah remains the clearest introduction to the era that shaped Judaism and provided the context for early Christianity

The Battle of The Sexes: It's Been Downhill Since The Garden H.R. Boaz, 2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3:16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very different story of the primal couple A story that is contrary to what is often taught in all religions that use the Word of YHWH as their

foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God given fences that protect the Word of God from man s distorted perspective The Hebrew language itself provides the most significant fence Like no other language each Hebrew word defines itself by the letters that make up the word This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man s interpretations The Battle of the Sexes is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God s one instruction by the primal couple in the Garden of Eden Gan Eden We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female male relationship with those very same issues first raised in Gan Eden Moreover with clarity the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion Exposed in her Hebrew name which is not usually translated properly is her irrefutable role in God s plan of salvation for the human race God did not make women subservient to men and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends Humanity is to work together not to manipulate or fight to assume power over one another Nowhere is this idea more consequential than in the marriage relationship Being the preeminent human relationship YHWH presents marriage as the foundation for all other human relationships from Bereishis the beginning creation of our world and the human creature Undergirding the arrogant impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah the book of Genesis we begin to understand how as the Jewish Sages say with the change of one letter the world is destroyed With the misinterpretation and misunderstanding of one Hebrew word adam our modern grasp of the essence of YHWH and the female male relationship as described in Torah has been distorted and all but destroyed The Battle of the Sexes is sure to not only answer but raise many questions regarding the female male relationship as well as humanities relationship with God

Law Beyond Israel Holger M. Zellentin, 2022 The Hebrew Bible formulates two sets of law one for Israelites and one for gentiles living in the Holy Land Law Beyond Israel argues that the laws for non Israelites form the historical basis of qur anic law pointing to legal continuity from the Hebrew Bible to the New Testament and from late antique Christianity to nascent Islam **The Restoration Covenant** Jamie L. Perez, 2002 Noah was a man of his time He faced the same temptations and urges as his neighbors but with a difference He resisted those urges Instead of seeking instant gratification Noah was willing

to wait He knew that the violence and wickedness around him brought no one any lasting pleasure as Cain had clearly illustrated Violence bred more violence until all hope of security and peace was lost Those who tried to resist it were either seduced into it or killed until only one righteous man remained If God were going to salvage mankind Noah was God s last hope This Bible study is designed to bring Noah s struggles and conflicts into your living room and into your heart You may rejoice with his victories and cry with his defeats but most importantly learn from his life God s commands were heart wrenching How could Noah willingly participate in God s plan His obedience would bring death to his family friends and society Almost everyone and everything he ever knew would be lost How could he live through such a great personal loss Gather your friends together This is an experience you will want to share Noah s legacy it is a story to remember **Jewish Theology and World Religions** Alon Goshen-Gottstein,Eugene Korn,2012-04-05 The contributors to this volume represent a range of disciplines and denominations within Judaism and share the conviction that articulating contemporary Jewish views of other world religions is an urgent objective for Judaism Their essays show why a Jewish theology of world religions is a priority for Jewish thinkers and educators concerned with reinvigorating Judaism s contribution to the contemporary world and maintaining Jewish identity and continuity **Radical Religion in America** Jeffrey Kaplan,1997-01-01 The burning in Waco of the Branch Davidian compound and the Oklahoma City bombing have heightened fear of American extremist groups Jeffrey Kaplan combines interviews correspondence and publications not hitherto accessible to examine the cultic milieu in which these religious movements exist Kaplan discusses several radical belief systems but concentrates on three of the more prominent groups They include the Christian Identity whose members believe they are the true Aryan descendants of Israeli biblical tribes Odinism and the related Asatru movement which attempts to reconstruct the practices of Norse Germanic paganism and B bai Noah the anti Christian movement in favor of God s covenant with Noah To explain the existence and durability of religious cults he applies the philosophy of Colin Campbell From Martin Marty he employs the mapping theory to place the movements in the sphere of American spirituality His work details how the groups interact the internal organizational friction and how the private anti cult groups the Anti Defamation League Klanwatch and Cult Awareness Network monitor the activity of the movements He argues that right wing violence is primarily an impulsive act carried out by part time revolutionaries against convenient targets or against that which represents change in the status quo Thought provoking in his analysis Kaplan lays bare the issues for current debate how sectarian organizations far outside the mainstream of American religious life pose a significant challenge to prevailing conceptions of the First Amendment He questions the extent to which even the most antagonistic and despised groups can carry out fanatical actions and still benefit from such protection **The Divine Code** Moshe Weiner,2021-09-20 Interest in the Seven Commandments for the Children of Noah Non Jews is growing and great numbers of people around the world have committed themselves to observe these commandments Until publication of The Divine Code now in the Fourth Edition a comprehensive clear and expertly

researched guide for observance and study of these Divine precepts was lacking The Divine Code is the result of an historic project by Ask Noah International Originally published in Hebrew by Rabbi Moshe Weiner and endorsed by prominent Torah scholars including two Chief Rabbis of Israel it examines the Torah law foundations and details of the Noahide precepts Unique among the other books on this subject this authoritative text is footnoted with extensively researched Talmudic and post Talmudic sources and supplied with additional explanations and enlightening Editor s Notes throughout It identifies and applies the fundamental principles by which the practical requirements for righteous living are determined for pious Non Jews This Fourth Edition encompasses all of the Seven Noahide Commandments and their principles and offshoots It is the authorized translation according to Rabbi Weiner s personal review and editing The book contains eight parts beginning with Fundamentals of the Faith followed by the seven parts which provide comprehensive explanations of each of the Seven Noahide Commandments and their many offshoots Also included are several section introductions by the renown Rabbi J Immanuel Schochet o b m a leading Canadian rabbi and author of many popular books on Torah based spirituality and philosophy Additional introductions were contributed by Joe M Regenstein Ph D a leading expert on guidelines in the meat industry for improved animal welfare Arthur A Goldberg J D author of Light in the Closet and Director of J I F G A Rabbi Shimon D Cowen Ph D Director of of the Institute for Judaism and Civilization and Michael Schulman Ph D editor of the book and Executive Director of Ask Noah International and Asknoah.org It also includes an Appendix on the Pious Gentile and the Ger Toshav in Torah Law Recommended for late teens and adults

In Search of the Good Life Corey Miller,2019-10-01 What is the Good Life Learn from some of the greatest minds in Greek Jewish and Christian thought Comparing their thought reveals a new apex reached in the age old question concerning the relationship of Jerusalem and Athens faith and reason Few have been more influential in Judaism and Christianity than Moses Maimonides and Thomas Aquinas yet Aristotle influenced them both in significant ways By adopting and adapting some of Aristotle s best thinking we can appreciate Maimonides and Aquinas search for the Good Life from their respective views ranging from the fall to human perfectibility This examines human nature the human telos and how each would prescribe the route to the Good Life For all three it is ultimately about the knowledge of God But what does that mean The comparative approach is more illuminating than if considered in isolation Comparatively Aristotle s approach may be characterized as informational Maimonides as instructional and Aquinas as pneumatic relational The role of faith as a virtue in both Maimonides and Aquinas makes a substantive difference over Aristotle s in philosophical and practical ways It is used to exploit their accounts of the human fall moral perfection and ultimate human perfection the knowledge of God

[What We Can't Not Know](#) J. Budziszewski,2011-01-01 Professor J Budziszewski questions the modern assumption that moral truths are unknowable With clear and logical arguments he rehabilitates the natural law tradition and restores confidence in a moral code based upon human nature from publisher description

Essential Torah George Robinson,2008-12-17 Whether you are studying the

Bible for the first time or you're simply curious about its history and contents you will find everything you need in this accessible well written handbook to Jewish belief as set forth in the Torah The Jerusalem Post George Robinson author of the acclaimed Essential Judaism begins by recounting the various theories of the origins of the Torah and goes on to explain its importance as the core element in Jewish belief and practice He discusses the basics of Jewish theology and Jewish history as they are derived from the Torah and he outlines how the Dead Sea Scrolls and other archaeological discoveries have enhanced our understanding of the Bible He introduces us to the vast literature of biblical commentary chronicles the evolution of the Torah's place in the synagogue service offers an illuminating discussion of women and the Bible and provides a study guide as a companion for individual or group Bible study In the book's centerpiece Robinson summarizes all fifty four portions that make up the Torah and gives us a brilliant distillation of two thousand years of biblical commentaries from the rabbis of the Mishnah and the Talmud to medieval commentators such as Rashi Maimonides and ibn Ezra to contemporary scholars such as Nahum Sarna Nechama Leibowitz Robert Alter and Everett Fox This extraordinary volume which includes a listing of the Torah reading cycles a Bible time line glossaries of terms and biblical commentators and a bibliography will stand as the essential sourcebook on the Torah for years to come *Encountering the Stranger* Leonard Grob, John K. Roth, 2013-01-03 In an age when collisions of faith among the Abrahamic traditions continue to produce strife and violence that threatens the well being of individuals and communities worldwide the contributors to *Encountering the Stranger* six Jewish six Christian and six Muslim scholars takes responsibility to examine their traditions understandings of the stranger the other and to identify ways that can bridge divisions and create greater harmony *Reflexions* Donald Steinberg, Donald Steinberg MD, 2008-06 There's no available information at this time Author will provide once information is available

Inheriting Lies Jerry Mitchell, 2022-09-16 Jerry Mitchell author of *Tradition to Truth One Man's Search for Honest Answers and God's Universe* *God's Rules* again brings serious thought provoking forensic biblical analysis to light digging through the language culture and history to uncover the truth hidden by centuries of traditions legends and man made doctrine and shining a light on the dark lies that we have inherited from our fathers Discover the truth that has been hidden in plain sight The enemy has prevented many from finding it until now
