and television production from script development through the entire production and postproduction process up to release. The book starts by providing an introduction to the key players on a production and explores the differences between the studio and production company worlds. Beyda explains the process of getting to and through production in a linear fashion beginning with scheduling, location decisions, incentives, and budgeting. The book provides explanations and definitions of the various unions and guilds and outlines some of the rules that filmmakers will need to be aware of. It further discusses clearances and product placement and then proceeds to visual effects, postproduction, and music before ending with the worlds of marketing and publicity. The book provides examples and assignments to teach a reader how to formulate a plan for production that can be used to pitch a project or run a set. This is a great resource for aspiring producers and creative executives who want to enter the film and television industry and provides an understanding of the filmmaking process for those who just want to know more.
