DAY 1: Familiarization

Fluency Practice

Using the Fluency strips, have the students read them with you. Remind them that when we read, we should sound like we are talking on the phone—not like a robot or like we are on a roller coaster.

Sight Word Work

Using the cards, introduce and read the words "after," "any," "splash," "fort," "go," "play," and "see." Have students write each word 3 times, fast on a dry erase board. Then have them use 1-to-1 correspondence and read the words and find the letter. Let's go on a word hunt in your book today and find the words. Use highlight tape to highlight the words in the book.

Vocabulary

Introduce a word: a fort—a structure or building used to provide protection.

Before Reading

Encourage your child to only point to words if they are having trouble following them. Be sure your child is following the words to the second line of text. If your child gets stuck prompt them by asking:

- Does that look right?
- Does that sound right?
- Does that make sense?

After Reading

Ask these questions:

- What is this story about?
- Where are the two boys?
- Does anything keep them from going to the park?
- What do they do in different types of weather at the park?
- Why do you think the little boys are friends?
