Lesbian Love Addiction Lauren D. Costine, 2015-11-05 Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times they return to those behaviors and cycle through failed relationships. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. **Lesbian Love Addiction: Understanding the Urge to Merge and How to Heal When Things Go Wrong** makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out, and others are serial relationship junkies jumping from one relationship into the next. Some are addicted to the high of falling in love, and once that wears off, don't know how to handle the day-to-day realities of a committed relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship, but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships altogether, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the Urge to Merge. **Lesbian Love Addiction** is designed to help ameliorate at least part of this problem. Lauren D. Costine offers insight for lesbians, bisexual women, in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.

Love Addict Brianne Ellison, 2021-05-10 Love Addict. Don't stop reading. For days I struggled to find the perfect words, the wow factor for this description. I wanted to craft something that would prompt you to read this book immediately. The more I thought about it, the more I realized I couldn't think of anything better to say than the truth. My name is Bri, aka Lipstick Preacher, and I'm a recovering love addict. I can already imagine what you're thinking: A love addict? No, I'm not talking about being addicted to sex or having multiple relationships and partners. As a young girl, and into adulthood, I obsessed over the idea of being in love and assumed it was an easy thing to attain if you were a decent person. No one in my life explained to me the importance of love and how much power it holds. I developed a deep desire to achieve love and had no idea where it came from. The desire for love is embedded in the core of our being, and when we encounter it, good or bad, it can shape the essence of who we are. After many failed relationships and encounters with the opposite sex, my idea of love became broken. This aching and painful feeling consumed my mind and eventually created a pattern of addiction: A love addiction. If you're reading this description and you know love has dealt you a blow, you don't know how to recover from, read this book. If you're someone who has ended or creates complicated relationships that have

left you feeling like a different person read this book If you ve never experienced love to a capacity that you know is real and true read this book If you want to love again but believe it s for everyone else read this book If you re in an amazing relationship but had some sucky ones in the past and you find yourself sabotaging something good because of it read this book Hey you Read this book The End

Love Addict Ethlie Ann Vare,2011-09 Neuroscience now shows us in living color thanks to PET scans and fMRI technology that falling in love affects our brains precisely the same way as snorting cocaine Award winning author and screenwriter Ethlie Ann Vare already knew that she s been addicted to both She survived to tell the tale with humor honesty and hope Just because something is addictive doesn t mean that you will get addicted to it But if your stomach ties up in knots while you count the seconds waiting for a phone call from that special someone if you hear a loud buzzing in your ears when you see a certain person s car or one just like it if your eyes burn when you hear a random love song or see a couple holding hands if you suffer the twin agonies of craving for and withdrawing from a series of unrequited crushes or toxic relationships if you always feel like you re clutching at someone s ankle and dragged across the floor as they try to leave the room welcome to the club With a light touch and a sharp wit Ethlie has enlisted some famous love junkies including supermodel Amber Smith movie star William McNamara and comedienne Margaret Cho and the top therapists and researchers in the field to help lead you from the dark of despair into the dawn of recovery
