The Apprentice of Peace Ronnie 'Qi' Harvey,2014-08-29 The Apprentice of Peace An Uncommon Dialogue is a unique platform from which we can all learn and grow and find the peace missing in our life We find this peace by addressing the issues of our self growth to realize our potential committing ourselves to the realization of what that potential looks like and accepting the circumstances we have created for ourselves whether good or bad What we see in the world is a reflection of what is going on inside of people Their inner turmoil translates into a world of chaos frustration anger hostility and ultimately death mentally as well as physically The Apprentice of Peace is the example that will encourage a change in the mind state and attitudes of the people and how we treat each other This uncommon dialogue challenge s you to be the highest example of yourself that you can be We are to take our roles in the world as it s peacekeepers and peacemakers and be the shining beacons of social responsibility and common sense through heart centered conduct and righteous action

A Peaceable Hope David J Neville, 2013-02-15 In the New Testament texts there is significant tension between Jesus's nonviolent mission and message and the apparent violence attributed to God and God's agents at the anticipated end David Neville challenges the ready association between New Testament eschatology and retributive vengeance on christological and canonical grounds He explores the narrative sections of the New Testament the Gospels Acts and Revelation with a view to developing a peaceable as opposed to retributive understanding of New Testament eschatology Neville shows that for every narrative text in the New Testament that anticipates a vehement eschatology another promotes a largely peaceable eschatology This work furthers the growing discussion of violence and the doctrine of the atonement

Peace & Love Leland Bedford, 2014-02-07 Peace Love is a celebration of truth like none before and like none that will be after truly one of a kind The selections within are a reflection of thought that is like a seed to the brain of every man woman and child to be watered by life and grow into an existence where love is the end result of new found peace The lie has no home within the pages of this book because the lie holds no truth like a World created by God that holds no peace nor love In time we live and in time it is promised that we will forever be so in time Peace Love has been placed to collectively bring them that are unconscious to a new consciousness of life death truth lie good evil victory defeat success failure hope eternal hope God Jesus and the Devil you me and we To all that search for understanding and are a student of inspiration within this book holds a gift of sincerity with the purpose to build and destroy to build a new idea that is the antithesis of all that has kept us in the dark all that has kept us from one another and destroy all that has shined light on that which we are not that has made are sunshine like Hell's fire rather than the warmth of God's love Opening this book will open your eyes though you have never been blind and will breathe new air into the lungs that were given by the Father to live like any food for nourishment the knowledge within can do no harm only feed the soul Like anything all may not see what is shown as one man's treasure is another man's trash but as trash is unwanted so is the absence of peace and love in a World where Christ is King and we live in search of life life everlasting this I believe is like motivation to grow without digression and to digress through progression Inspirational words thoughts and ideas live within the pages of Peace Love thoughts of happiness and joy pain and agony victory and defeat good and evil God and the Devil Heaven and Hell hope and despair with the purpose to discover truth that will bring clarity to the chaos which can cloud the

Light: Part two Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct

characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin
