**Under One Roof** Ali Hazelwood, 2022-05-03 A USA Today Bestseller From the New York Times bestselling author of The Love Hypothesis comes a new steamy STEM-inist novella A scientist should never cohabit with her annoyingly hot nemesis it leads to combustion Mara Sadie and Hannah are friends first scientists always Though their fields of study might take them to different corners of the world they can all agree on this universal truth when it comes to love and science opposites attract and rivals make you burn As an environmental engineer Mara knows all about the delicate nature of ecosystems They require balance And leaving the thermostat alone And not stealing someone else's food And other rules Liam her detestable big oil lawyer of a roommate knows nothing about Okay sure technically she's the interloper Liam was already entrenched in his aunt's house like some glowering grumpy giant when Mara moved in with his big muscles and kissable mouth just sitting there on the couch tempting respectable scientists to the dark side but Helena was her mentor and Mara's not about to move out and give up her inheritance without a fight The problem is living with someone means getting to know them And the more Mara finds out about Liam the harder it is to loathe him and the easier it is to love him To read Sadie and Hannah's stories look for the novellas Stuck with You and Below Zero coming soon from Berkley

**The Necessary Beggar** Susan Palwick, 2024-08-06 Susan Palwick author of the remarkable Flying in Place now returns with a compelling new novel of a

family cast out of an idyllic realm learning to live in our own troubled world With its richly imagined portrayal of a lost culture complete with poetry and fables traditions and customs and its searing yet sympathetic view of own society as seen through new eyes The Necessary Beggar is an compelling examination of humanity and the redemptive power of love in the spirit of Ursula K Le Guin s The Dispossessed and Robert A Heinlein s Stranger in a Strange Land L mabantunk the Glorious City is a place of peace and plenty of festivals and flowers bejeweled streets and glittering waterfalls But it is also a land of severe justice Darroti a young merchant has been accused of an unforgiveable crime the brutal murder a highborn woman Now in keeping with the customs of their world his entire family must share in his punishment exile to the unknown world that lies beyond a mysterious gate Passing through that gate and grieving for the life they leave behind Darroti and his family find themselves in a harsh and hostile land America just a few years hence a country under attack in a world torn by hatred and warfare Unable to explain their origin they are rapidly remanded to an internment camp in the Nevada desert along with thousands of other refugees There they endeavor to make sense of this ill fated land where strange gods are worshipped and living things like flowers and insects are not respected After Darroti unable to bear his disgrace takes his life the rest of the family escapes to the outside world There each tries to cope in their own way Timbor the head of the clan troubled by the restless spirit of his departed son who comes to him in dreams does his best to preserve the old ways and avoid conflict with the outsiders His eldest son Masofo who calls himself Max is lured by the worldly temptations of this new world while his second son Erolorit strives to make a decent life for his family But it is Timor s granddaughter Zamatryna who is the quickest to adjust to this strange new world It is she who is the first to learn its language to adopt its customs to accept this place as her new home And as the strain of adapting themselves to this new life begins to tear the family apart it is Zama sustained by the extraordinary love of an ordinary young man who finds a way to heal their grief and give them new hope At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Below Zero Ali

Hazelwood,2022-07-05 From the New York Times bestselling author of The Love Hypothesis comes a new steamy STEMinist novella It will take the frosty terrain of the Arctic to show these rival scientists that their chemistry burns hot Mara Sadie and Hannah are friends first scientists always Though their fields of study might take them to different corners of the world they can all agree on this universal truth when it comes to love and science opposites attract and rivals make you burn Hannah s got a bad feeling about this Not only has the NASA aerospace engineer found herself injured and stranded at a remote Arctic research station but the one person willing to undertake the hazardous rescue mission is her longtime rival Ian has been many things to Hannah the villain who tried to veto her expedition and ruin her career the man who stars in her most deliciously lurid dreams but he s never played the hero So why is he risking everything to be here And why does his presence seem just as dangerous to her heart as the coming snowstorm To read Mara and Sadie s stories look for the novellas Under One Roof and Stuck with You available now from Berkley **Hearts & Rockets** Ainsley B.,2016-07-07 Have you ever felt

lonely Fearful Excited Joyful When found on an emotional roller coaster in life what do you do During Ainsley's journey from Louisiana to Nashville she was presented with a new experience that place her on quite a roller coaster Chronicling life's ups and downs as it relates to walking with Jesus blogging became an outlet and thus this book Take it with you on your next adventure for strength encouragement and someone to relate to Don't be afraid to adventure with Jesus

**The Oxford Handbook of Radio and Podcasting** Michele Hilmes, Andrew Bottomley, 2024 Radio today remains the most accessible and widely available communication medium worldwide despite technological shifts and a host of upstart challengers Since its origins in the 1920s radio has innovated a new world of sound culture now expanded into the digital realm of podcasting that is enabling the medium to reach larger audiences than ever before Yet radio remains one of the least studied of the major areas of communication arts due largely to its broadcast era ephemerality With the advent of digital technology radio's past has been unlocked and soundwork is exploding as a creative field creating a lively and diverse sonic present while simultaneously making critical historical analysis possible at last This volume offers newly commissioned chapters giving readers a wide ranging view of current critical work in the fields of radio and podcasting employing specific case studies to analyze sound media's engagement with the arts with the factual world of news talk and documentary programming as a primary means of forging community along with national transnational and alternative identities and as a subject of academic and critical research Its historical scope extends from radio's earliest days through its mid twentieth century decades as the powerful voice of nations and empires onto its transformation into a secondary medium during the television era and into the expanding digital present Over the course of 37 chapters it provides evidence of the sound media's flexibility and adaptation across diverse cultures by examining radio's past and present uses in regions including the United States Canada Britain Australia Poland China Korea Kenya Angola and Mozambique South Asia and the Caribbean Contributors include historians and media scholars as well as sound artists and radio podcast producers Notably companion links to digital quotations from works analyzed are included in many chapters along with chapter audiographies offering links to further listening Throughout *The Oxford Handbook of Radio and Podcasting* connects radio's broadcast past to its digital present and traces themes of creativity identity community nation and transnationality across more than a century of audio media
