Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., Phrase Structure and Argument Structure Terje Lohndal,2014-06-26 This book focuses on the relationship between syntax and meaning Terje Lohndal s core claim is that it is possible to create a transparent mapping from syntax to logical form such that each syntactic Spell Out domain directly corresponds to a conjunct at logical form The argument focuses on two domains of grammar phrase structure and argument structure and brings together two independently established but seemingly unconnected hypotheses that verbs do not require arguments and that specifiers are not required by the grammar Following the introduction the second chapter looks in detail at the separation of the verb from its thematic arguments and presents data from argument structure reciprocals and adjectival passives while the third examines the claim that specifiers do not play a role as the target of various grammatical operations Chapter 4 then brings these arguments together and proposes a syntax that maps transparently onto logical forms where all thematic arguments are severed from the verb Moreover the broader consequences of this approach are outlined in terms of Spell Out movement linearization thematic uniqueness and agreement The book closes with an examination of the relationship between grammatical and conceptual meaning and a detailed discussion of the nature of compositionality **Proceedings of the West Coast Conference on Formal Linguistics** Megan Crowhurst,1987 Popular Photography ,1981-04 *The Rise of Victimhood Culture* Bradley Campbell,Jason Manning,2018-03-07 The Rise of Victimhood Culture offers a framework for understanding recent moral conflicts at U S universities which have bled into society at large These are not the familiar clashes between liberals and conservatives or the religious and the secular instead they are clashes between a new moral culture victimhood culture and a more traditional culture of dignity Even as students increasingly demand trigger warnings and safe spaces many young people are quick to police the words and deeds of others who in turn claim that political correctness has run amok Interestingly members of both camps often consider themselves victims of the other In tracking the rise of victimhood culture Bradley Campbell and Jason Manning help to decode an often dizzying cultural milieu from campus riots over conservative speakers and debates around free speech to the election of Donald Trump **Elementary Syntactic Structures** Cedric Boeckx,2015 This book proposes a new model of syntax in which all the fundamental units and properties of syntax are rethought **The Handbook of Lexical Functional Grammar** Mary Dalrymple,2023-12-14 Lexical Functional Grammar LFG is a nontransformational

theory of linguistic structure first developed in the 1970s by Joan Bresnan and Ronald M Kaplan which assumes that language is best described and modeled by parallel structures representing different facets of linguistic organization and information related by means of functional correspondences This volume has five parts Part I Overview and Introduction provides an introduction to core syntactic concepts and representations Part II Grammatical Phenomena reviews LFG work on a range of grammatical phenomena or constructions Part III Grammatical modules and interfaces provides an overview of LFG work on semantics argument structure prosody information structure and morphology Part IV Linguistic disciplines reviews LFG work in the disciplines of historical linguistics learnability psycholinguistics and second language learning Part V Formal and computational issues and applications provides an overview of computational and formal properties of the theory implementations and computational work on parsing translation grammar induction and treebanks Part VI Language families and regions reviews LFG work on languages spoken in particular geographical areas or in particular language families The final section Comparing LFG with other linguistic theories discusses LFG work in relation to other theoretical approaches
