Marco Polo Go To China? Frances Wood,2018-06-19 We all know that Marco Polo went to China served Ghengis Khan for many years and returned to Italy with the recipes for pasta and ice cream But Frances Wood head of the Chinese Department at the British Library argues that Marco Polo not only never went to China he probably never even made it past the Black Sea where his family conducted business as merchants Marco Polo s travels from Venice to the exotic and distant East and his epic book describing his extraordinary adventures A Description of the World ranks among the most famous and influential books ever published In this fascinating piece of historical detection marking the 700th anniversary of Polo s journey Frances Wood questions whether Marco Polo ever reached the country he so vividly described Why in his romantic and seemingly detailed account is there no mention of such fundamentals of Chinese life as tea foot binding or even the Great Wall Did he really bring back pasta and ice cream to Italy And why given China s extensive and even obsessive record keeping is there no mention of Marco Polo anywhere in the archives Sure to spark controversy Did Marco Polo Go to China tries to solve these and other inconsistencies by carefully examining the Polo family history Marco Polo s activities as a merchant the preparation of his book and the imperial Chinese records The result is a lucid and readable look at medieval European and Chinese history and the characters and events that shaped this extraordinary and enduring myth **Travels of Marco Polo** Marco Polo,2004-10-05 His journey through the East began in 1271 when still a teenager he set out of Venice and found himself traversing the most exotic countries His acceptance into the court of the great emperor Kublai Khan and his service

to the vast and dazzling Mongol empire led him to places as far away as Tibet and Burma lands rich with gems and gold and silk but virtually unknown to Europeans Later as a prisoner of war Marco Polo would record the details of his remarkable travels across harsh deserts great mountain ranges and dangerous seas as well as of his encounters with beasts and birds plants and people His amazing chronicle is both fascinating and awe inspiring and still serves as the most vivid depiction of the mysterious East in the Middle Ages Edited and with an Introduction by Milton Rugoff and an Afterword by Howard Mittelmark [The Travels of Marco Polo](#) Marco Polo,1926 [The Travels of Marco Polo](#) Marco Polo,2008-10-21 Now in a handsome and newly revised hardcover edition the extraordinary travelogue that has enthralled readers for more than seven centuries Marco Polo s vivid descriptions of the splendid cities and people he encountered on his journey along the Silk Road through the Middle East South Asia and China opened a window for his Western readers onto the fascinations of the East and continued to grow in popularity over the succeeding centuries To a contemporary audience his colorful stories and above all his breathtaking description of the court of the great Kublai Khan Mongol emperor of China offer dazzling portraits of worlds long gone The classic Marsden and Wright translation of The Travels has been revised and updated by Peter Harris with new notes a bibliography and an introduction by award winning travel writer Colin Thubron *The Travels of Marco Polo* Marco Polo,2019-01-31 In 1271 Marco Polo set out on a journey to China to meet the Mongol Emperor Kubla Khan He returned with stories that would take a lifetime to tell Featuring exotic creatures strange customs extraordinary legends and political intrigues The Travels of Marco Polo reveals the fantastical treasures of the East in the words of the legendary medieval explorer Conjuring up a forgotten world filled with mystery where wonder lurks around every corner Marco Polo tells his tale with extraordinary clarity and energy **The Travels of Marco Polo** Marco Polo,Alex Struik,2012-08-23 Marco Polo September 15 1254 January 9 1324 was a Venetian merchant traveler whose travels are recorded in Il Milione The Millions now known as The Travels of Marco Polo a book which did much to introduce Europeans to Central Asia and China He learned about trading whilst his father and uncle Niccolo and Maffeo travelled through Asia and apparently met Kublai Khan In 1269 they returned to Venice to meet Marco for the first time The three of them embarked on an epic journey to Asia returning after 24 years to find Venice at war with Genoa Marco was imprisoned and dictated his stories to a cellmate He was released in 1299 became a wealthy merchant married and had three children He died in 1324 and was buried in San Lorenzo **Marco Polo** Laurence Bergreen,2007 In this authoritative biography of one of the most fascinating figures in world history Marco Polos incredible odyssey along the Silk Road and through all the fantastic circumstances of his life is chronicled in sumptuous and illuminating detail Illustrated **The Travels of Marco Polo** Marco Polo,1912 **The Book of Ser Marco Polo, the Venetian** Marco Polo,1875 **The Story of Marco Polo** Marco Polo,Noah Brooks,1913 **The Return of Marco Polo's World** Robert D.
