A Psychiatrist's View of Marijuana Timmen Cermak, 2020-04-02 An essential guide covering the scientific knowledge and communication skills required to deliver objective patient advice about marijuana use **Medical Marijuana** Mikhail Kogan, M.D., Joan Liebmann-Smith, PhD, 2023-03-07 An essential guide to understanding the health benefits of marijuana and CBD Marijuana has been used for thousands of years as a medicine but pot has been illegal in the United States for most of our lives Almost all states have now legalized its medical use and many consumers and physicians are exploring it as an alternative to conventional treatments There s substantial evidence that marijuana cannabis is a safe and effective treatment for chronic pain chemo side effects sleep and mood disorders MS and Parkinson s disease among others But there s also misinformation about marijuana on social media And most physicians have limited knowledge on the subject while dispensary staff aka budtenders lack medical training Mikhail Kogan MD a renowned expert on medical marijuana has found that cannabinoids THC CBD hemp and other cannabis products can often be more beneficial have fewer side effects and be safer than many conventional medications including opioids and other painkillers But different ailments require different strains doses and routes of delivery Medical Marijuana demystifies marijuana and other forms of cannabis in a user friendly guide that will help readers Understand how marijuana morphed from the days of Reefer Madness to being hailed as a wonder weed Navigate the complex medical and legal world of marijuana Understand the risks and benefits of THC CBD and other cannabis products Evaluate the pros and cons of inhaled and other routes of delivery edibles topicals and even suppositories Find a doctor who can recommend medical cannabis Choose a reliable dispensary Learn how to evaluate labels on cannabis products Discover cost saving strategies since medical marijuana isn t covered by health insurance With real life patients stories woven throughout the book simple explanatory graphics and the most up to date information this is the definitive guide to the wide ranging benefits of medical marijuana and other forms of cannabis Cannabis, Sacred and Profane Christopher Partridge, 2024-08-22 Focussing on the ways in which cannabis has been demonized sacralized and normalized Christopher Partridge analyses the complex and often difficult relationship Western societies have had with the plant since the nineteenth century After an introduction to cannabis and its uses the book discusses how and why it was constructed as a profane influence and a marker of deviance It then examines the emergence of medicinal cannabis showing how this has contributed to its normalization and even its sacralization Finally there is a discussion of sacred cannabis which looks at its use within modern occultism Rastafari and several cannabis churches Overall the book provides a cultural history of cannabis in the modern world which exposes the underlying reasons for the various and changing attitudes to this popular psychoactive substance Decriminalization of Marijuana United States. Congress. House. Select Committee on Narcotics Abuse and Control, 1977 The Truth Seeker , 1990 **Tell Your Children** Alex Berenson, 2020-02-18 In a brilliant antidote to all the false narratives about pot American Thinker an award winning author and former New York Times

reporter reveals the link between teenage marijuana use and mental illness and a hidden epidemic of violence caused by the drug facts the media have ignored as the United States rushes to legalize cannabis Recreational marijuana is now legal in nine states Advocates argue cannabis can help everyone from veterans to cancer sufferers But legalization has been built on myths that marijuana arrests fill prisons that most doctors want to use cannabis as medicine that it can somehow stem the opiate epidemic that it is beneficial for mental health In this meticulously reported book Alex Berenson a former New York Times reporter explodes those myths explaining that almost no one is in prison for marijuana a tiny fraction of doctors write most authorizations for medical marijuana mostly for people who have already used and marijuana use is linked to opiate and cocaine use Most of all THC the chemical in marijuana responsible for the drug s high can cause psychotic episodes Alex Berenson has a reporter s tenacity a novelist s imagination and an outsider s knack for asking intemperate questions Malcolm Gladwell The New Yorker as he ranges from the London institute that is home to the scientists who helped prove the cannabis psychosis link to the Colorado prison where a man now serves a thirty year sentence after eating a THC laced candy bar and killing his wife He sticks to the facts and they are devastating With the US already gripped by one drug epidemic Tell Your Children is a well written treatise Publishers Weekly that takes a sledgehammer to the promised benefits of marijuana legalization and cannabis enthusiasts are not going to like it one bit Mother Jones
