Lost Apostles Forgotten Members Of Mormonisms Original Quorum Of Twelve:

Lost Apostles William Shepard, 2014 *Lost Apostles* H. Michael Marquardt, William Shepard, 2014 Before the LDS Church was organized Joseph Smith received a revelation telling him that twelve men would be called as latter day apostles Their assignment would be to warn men and women that the end was near Although the determination of who would fill these positions was delayed for five years when it finally happened God reiterated that these men were to prune the vineyard for the last time because the Second Coming was nigh In fact fifty six years would wind up the scene they were told Of the twelve men selected nine would eventually be pruned from the vineyard themselves to varying degrees Seven were excommunicated one of whom was reinstated to his position in the Twelve Of the other six the subjects of this book none returned to the apostleship and four never came back to the Church at all Those who left faded into obscurity except for when they are occasionally still mentioned in sermons as cautionary tales But two of them made their marks in other areas of society John Boynton becoming a successful dentist a popular lecturer geologist and inventor with dozens of important patents to his name while Lyman Johnson became a prominent attorney and business owner Even though Luke Johnson Thomas B Marsh William McLellin and William Smith became religious wanderers and tried unsuccessfully to adjust to life outside of the Church their experiences were interesting and comprise valuable case studies in belief and disaffection

Apostolic Succession in the Restoration Kevin L. Tolley, Patrick A. Bishop, 2023-04-17 This unique chronology of the history of the Church of Jesus Christ of Latter day Saints follows the Lord s chosen representatives as they were called and released as members of the Quorum of the Twelve Apostles Beginning with Joseph Smith s ordination in 1829 to the present day the life of every man who has served in these presiding quorums is illustrated in the brief narratives of this informative and well written volume Now is the perfect time to learn the gospel with your family and discover the humble beginnings of the Lord s Church in these latter days This work honors the noble men who sacrificed their time and talents to unselfishly serve those around them It is an excellent reference for anyone looking to study Church history and the apostolic governing bodies of the Church Understand the order of succession to the presidency and see firsthand the challenges these quorums faced as they learned line upon line the Lord s will in fulfilling their sacred callings Method Infinite: Freemasonry and the Mormon Restoration Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s

rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith's firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded

A ^A Documentary History of the Book of Mormon, 2019-01-09 A Documentary History of the Book of Mormon transcribes and annotates a wide variety of primary source documents related to the origins of the long ridiculed narrative that launched a new world religion

Mormon Hermeneutics Jeffrey S. Krohn, 2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics

No Place for Saints Adam Jortner, 2022-02-01 The emergence of the Mormon church is arguably the most radical event in American religious history How and why did so many Americans flock to this new religion and why did so many other Americans seek to silence or even destroy that movement Winner of the MHA Best Book Award by the Mormon History Association Mormonism exploded across America in 1830 and America exploded right back By 1834 the new religion had been mocked harassed and finally expelled from its new settlements in Missouri Why did this religion generate such anger And what do these early conflicts say about our struggles with religious liberty today In No Place for Saints the first stand alone history of the Mormon expulsion from Jackson County and the genesis of Mormonism Adam Jortner chronicles how Latter day Saints emerged and spread their faith and how anti Mormons tried to stop them Early on Jortner explains anti Mormonism thrived on gossip conspiracies and outright fables about what Mormons were up to Anti Mormons came to believe Mormons were a threat to democracy and anyone who claimed revelation from God was an enemy of the people with no rights to citizenship By 1833 Jackson County's anti Mormons demanded all Saints leave the county When Mormons refused citing the First Amendment the anti Mormons attacked their homes held their leaders at gunpoint and performed one of America's most egregious acts of religious cleansing From the beginnings of Mormonism in the 1820s to their expansion and expulsion in 1834 Jortner discusses many of the most prominent issues and events in Mormon history He touches on the process of revelation the relationship between magic and LDS practice the rise of the priesthood the questions surrounding Mormonism and African Americans the internal struggles for leadership of the young church and how American law shaped this American religion Throughout No Place for Saints shows how Mormonism and the violent backlash against it

fundamentally reshaped the American religious and legal landscape Ultimately the book is a story of Jacksonian America of how democracy can fail religious freedom and a case study in popular politics as America entered a great age of religion and violence *Mormon Envoy* Bruce W. Worthen,2023-01-24 For more than twenty years John Milton Bernhisel negotiated with the federal government on behalf of the Church of Jesus Christ of Latter day Saints Bruce W Worthen illuminates the life and work of the man whose diplomacy steered the Church s relationship with Washington D C from its early period of dangerous conflict to a peaceful and pragmatic coexistence Having risen from a Pennsylvania backcountry upbringing to become a respected member of the upper class Bernhisel possessed a personal history that allowed him to reach common ground with politicians and other outsiders He negotiated for Joseph Smith s life and after the Church s relocation to the Utah Territory took on the task of rehabilitating the public image of the Latter day Saints Brigham Young s defiance of the government undermined Bernhisel s work but their close if sometimes turbulent relationship ultimately allowed Bernhisel to make peace with Washington secure a presidential pardon for Young and put Utah and the Latter day Saints on the road to formally joining the United States

Hosea Stout Stephen L. Prince,2016-07-15 Hosea Stout witnessed and influenced many of the major civil and political events over fifty years of LDS history but until the publication of his diaries he was a relatively obscure figure to historians Hosea Stout Lawman Legislator Mormon Defender is the first ever biography of this devoted follower who played a significant role in Mormon and Utah history Stout joined the Mormons in Missouri in 1838 and followed them to Nauvoo where he rose quickly to become a top leader in the Nauvoo Legion and chief of police a position he also held at Winter Quarters He became the first attorney general for the Territory of Utah was elected to the Utah Territorial Legislature and served as regent for the University of Deseret which later became the University of Utah and as judge advocate of the Nauvoo Legion in Utah In 1862 Stout was appointed US attorney for the Territory of Utah by President Abraham Lincoln In 1867 he became city attorney of Salt Lake City and he was elected to the Utah House of Representatives in 1881 But Stout s history also had its troubled moments Known as a violent man and aggressive enforcer he was often at the center of controversy during his days on the police force and was accused of having a connection with deaths in Nauvoo and Utah Ultimately however none of these allegations ever found traction and the leaders of the LDS community especially Brigham Young saw to it that Stout was promoted to roles of increasing responsibility throughout his life When he died in 1889 Hosea Stout left a complicated legacy of service to his state his church and the members of his faith community

William B. Smith Kyle R. Walker,2015-06-04 2016 Best Biography Award John Whitmer Historical Association Younger brother of Joseph Smith a member of the Quorum of the Twelve Apostles and Church Patriarch for a time William Smith had tumultuous yet devoted relationships with Joseph his fellow members of the Twelve and the LDS and RLDS Community of Christ churches Walker s imposing biography examines not only William s complex life in detail but also sheds additional light on the family dynamics of Joseph and Lucy Mack Smith as well as the turbulent intersections between the LDS and

RLDS churches William B Smith In the Shadow of a Prophet is a vital contribution to Mormon history in both the LDS and RLDS traditions
