- All 3,022 paintings are fully annotated with the name of the painting and artist, the date of the work, the birth and death dates of the artist, the painting medium, the size of the painting, the Louvre catalog number, and the room in the Louvre where the painting is found.
- Four hundred of the most iconic and significant paintings are illuminated by art historians Arto Crutis and Viviane Pomarède with discussions on the key attributes of the work.
