Druley,2016-01-29 Love Respect and Trust is a work about solidifying healthy relationships particularly in marriages so that the quality of our life improves As a mathematician I have attempted to wrap structure around the architecture of marriage so that couples can peer into its elements and begin to see the mechanisms for happiness Having been married to the lovely woman in red for 50 years has given me a plethora of human experiences and wisdom Being married to Karen was like living a symphony The concepts for improvement are built around 7 new relationship models and there are a number of tools and techniques now available for the couple to use to make breakthroughs in the interpersonal side of the equation By equipping partners with some simple tools we can begin to solve problems in the marriage like never before If the quality of the relationship is low then we struggle and the relationship can be a burden There is no reason that a relationship cannot reflect total joy It s a matter of wanting to make a difference and following the guidelines here to set you in the right direction The bottom line is that we can enjoy life more there is less

stress on the family trust is now a common denominator the children are subjected to a favorable learning environment and everyone is having fun My purpose here is to begin to bring marriages back to what they were meant to be filled with love and the right ingredients If we can save more marriages I believe we can improve the quality of life in America and improve the bottom lines of all businesses Productivity would improve and our economy would turn around for the better A happily run household is like a small engine contributing to society in a team environment and setting exceptional examples for our future leaders I dedicate this work to my wife Karen who provided the inspiration for this book and set the example for a mother grandmother and wife My children loved their mother and would always go to her for advice My youngest daughter shot herself in the head partly due to her passing The grief is sometimes overwhelming but this book is a cinema of wonderful experiences for our 50 years of joy It is full of lessons learned problems resolved and celebrations of great times together Our relationship can be characterized as a passionate one full of music intelligent discussion and the love and support of our heavenly Father Acknowledgements I think this book is a masterpiece of wisdom practical advice and valuable lessons learned I especially like the piece on Respect So important It s the kind of book that needs to be read multiple times in order to absorb the truth you are expressing And it serves well as a go to guide for solving understanding problems as they arise in a marriage A body of work well done with enduring value and wisdom Michael Druley Owner Executive Recruiting Partners South Bend Indiana What a valuable piece of work this is Everyone should read this Your writing is heartfelt and your charts and graphs are clear and easily understood Patricia Druley South Bend Indiana
