Love Story D. A. Fletcher,2012-06-20 Being a Christian does not mean never having to say you re sorry that s ridiculous In fact we American Christians may have so much to apologize for before we can begin to mount an apologetic we seem to have lost our voice with the lost and all credibility for the Gospel In each our own individual act of idolatry we have each chosen our own Jesus to match our beliefs rather than choosing our beliefs to match Jesus We have recreated God in our own image and we have lost our way Love Story isolates on some large vitally important ways that we have drifted from our faith making it much more American than Godly we have become idolators of individualism freedom democracy capitalism and even idolators of America itself We have little understanding of suffering little to say about the meaning of life and we ve missed entirely the spectacular nature of the universe and life We have much to unlearn before we can dare to speak of our faith

Love and Death of King Ananda Mahidol of Thailand Pavin Chachavalpongpun,2021-12-01 This book examines two aspects of the abbreviated reign of King Ananda Mahidol 1935-1946 or King Rama VIII of the current Chakri dynasty of Thailand First it discusses the royal family s plot to thwart a romantic relationship between the young king Ananda and his Swiss girlfriend Marileine Ferrari a daughter of a famous pastor of Lausanne Switzerland Interracial marriage particularly with Westerners has been strictly forbidden for Thai kings or heirs apparent The restriction stems from the interwoven connection between sexual relationship and the security of the throne The second part investigates the mysterious death of King Ananda a long held taboo topic in Thailand Although the two events were not specially related both in their own way served to unavoidably shake the position of the monarchy and hence threaten its existence The palace s reactions to these events demonstrated its continuous search to maintain its power and ultimately to warrant its survival Love and Intimacy

in Online Cross-Cultural Relationships Wilasinee Pananakhonsab, 2016-11-16 This book challenges assumptions about the motivations that drive women from relatively poor developing countries to use intermarriage dating sites to find partners from relatively wealthy developed countries. It is generally assumed that economic deprivation or economic opportunities are the main factors but this book instead focuses on the work of women's imagination in online cross cultural relationships including the role of desire, love and intimacy. The experiences of Thai women are used to explore how they initiate, develop and maintain love and intimacy with Western men across distance and time. The book shows that in the absence of opportunities to search and meet partners from geographically distant parts of the world, the technology of the internet offers new ways of searching for and managing relationships and has significant consequences for local experiences and expectations of love and partnering. The book will be of interest to scholars and students with an interest in family and intimate life, gender and sexualities, Asian and Thai studies, globalization and nationalism, culture and media, sociology and anthropology.
