It's Not Raining, Daddy, It's Happy Benjamin Brooks-Dutton,2014-05-08 The Sunday Times bestseller The moving and
inspiring account of heartbreak and courage and the life affirming relationship between a father and son Ben Brooks Dutton
s wife the great love of his life was knocked down and killed by a car as he walked beside her pushing their two year old son
in his buggy Life changed forever Suddenly Ben was a widower deep in shock left to raise their bewildered child alone In the
aftermath Ben searched for guidance from men in similar situations but it appeared that young widowed fathers don t talk
Well meaning loved ones admired his strength The unwritten rule seemed to be to shut up man up and hide your pain Lost
broken and afraid of the future two months after his wife Desreen s death Ben started a blog with the aim of rejecting
outdated conventions of grief and instead opening up about his experiences Within months Life as a Widower had received a
million hits and had started an all too often hushed conversation about the reality of loss and grief This is the story of a man
and a child who lost the woman they so dearly love and what happened in the year that followed Ben describes the conflicting
emotions that come from facing grief head on He rages against the clich s used around loss and shows the strange and cruel
ways in which grief can take hold He also charts what it means to become a sole parent to a child who has lost their mother
and cannot yet understand the meaning of death Through the shock and sadness shine moments of hope and insight So much
of what Ben learns comes from watching his son struggle survive and live as children do from moment to moment where hurt
can turn to happiness and anger can turn to joy This is a story of loss heartbreak and courage At its heart is the funny
infuriating and life affirming relationship between a father and son and their ongoing love for an extraordinary woman
