Immortal Jessica Duchen,2020-10-29 Who was Beethoven's Immortal Beloved After Ludwig van Beethoven's death a love letter in his writing was discovered addressed only to his Immortal Beloved Decades later Countess Therese Brunsvik claims to have been the composer's lost love Yet is she concealing a tragic secret Who is the one person who deserves to know the truth Becoming Beethoven's pupils in 1799 Therese and her sister Josephine followed his struggles against the onset of deafness Viennese society's flamboyance privilege and hypocrisy and the upheavals of the Napoleonic wars While Therese sought liberation Josephine found the odds stacked against even the most unquenchable of passions

Beethoven's Immortal Beloved Stefan Romano,2024-06-17 The day after Beethoven's death on March 26 1827 his friends found in a secret drawer of his desk together with his will and two miniature portraits of two young women a ten page

letter dated July 6 in the morning that began with the intriguing incantation My angel my all myself It included no address and no name of the addressee except for the now famous my immortal beloved hyperbole containing passionate declarations of love and was signed L forever yours forever mine forever us Thus was born a biographical mystery of the artistic canon of the Western World second only in tantalizing appeal to the identity of the person signing as William Shakespeare Two hundred years later biographers still have not come to a consensus on the mystery Of the many candidates advanced in the meantime only a few have survived in biographical literature Stefan Roman s book brings the controversy to a close It clarifies the existing evidence that has often been muddled and at times reached the absurd during almost two centuries of scholarly speculations He also adds some new insights into the analysis of the evidence thus making it easier for readers to draw their own conclusions hopefully not different from his namely that only one of the candidates proposed so far fits the evidence He also provides a substantially modified scenario from the one advanced by her proponents Born in Romania during WWII and immigrated to the U S A in 1989 Stefan Roman is not a musician nor a musicologist He is an engineer by formation a man of exactitude and clear and logical thinking qualities that served him thoroughly when he became an amateur Beethoven scholar A long time member of American Beethoven Society and of its French counterpart Association Beethoven France et Francophonie he has published in their professional journals bringing valuable contributions to understanding Beethoven s life and creation His Ending the Fifth article answered a question that had puzzled musicians scholars and music lovers alike for two hundred years why does Beethoven s Fifth Symphony end with that apparently interminable series of C major chords He took up the pen by force of circumstance for his Beethoven s Immortal Beloved when he realized that all the proposed solutions to the mystery relied on wild speculation and sometimes even falsifying the existing evidence

The Banished Immortal Ha Jin,2019-01-15 From the National Book Award winning author of Waiting a narratively driven deeply human biography of the Tang dynasty poet Li Bai also known as Li Po In his own time 701 762 Li Bai s poems shaped by Daoist thought and characterized by their passion romance and lust for life were never given their proper due by the official literary gatekeepers Nonetheless his lines rang out on the lips of court entertainers tavern singers soldiers and writers throughout the Tang dynasty and his deep desire for a higher more perfect world gave rise to his nickname the Banished Immortal Today Bai s verses are still taught to China s schoolchildren and recited at parties and toasts they remain an inextricable part of the Chinese language With the instincts of a master novelist Ha Jin draws on a wide range of historical

and literary sources to weave the great poet's life story. He follows Bai from his origins on the western frontier to his ramblings travels as a young man which were filled with striving but also with merry abandon as he raised cups of wine with friends and fellow poets. Ha Jin also takes us through the poet's later years in which he became swept up in a military rebellion that altered the course of China's history and the mysterious circumstances of his death which are surrounded by legend. *The Banished Immortal* is an extraordinary portrait of a poet who both transcended his time and was shaped by it and whose ability to live love and mourn without reservation produced some of the most enduring verses.
