Gurney Benham,2020-04-06 Reprint of the original first published in 1914 *Eclectic Magazine* ,1906 **Schwann Long Playing Record Catalog** ,1977-04 [The Wizard's Son, Volume 3 \(of 3\)](#) Margaret Oliphant ,2018-03-22 Example in this ebook CHAPTER I Was this then the conclusion of all things that there was nothing so perfect that it was worth a man s while to struggle for it that any officious interference with the recognised and existing was a mistake that nothing was either the best or the worst but all things mere degrees in a round of the comparative in which a little more or a little less was of no importance and the most strenuous efforts tended to failure as much as indifference Walter returning to the old house which was his field of battle questioned himself thus with a sense of despair not lessened by the deeper self ridicule within him which asked was he then so anxious for the best so ready to sacrifice his comfort for an ideal excellence That he of all men should have this to do and yet that being done it should be altogether ineffectual was a sort of climax of clumsy mortal failure and hopelessness The only good thing he had done was the restoration of those half evicted cotters and that was but a

mingled and uncertain good it appeared What was the use of any struggle If it was his own personal freedom alone that he really wanted why here it was within his power to purchase it or at least a moderate amount of it a comparative freedom as everything was comparative His mind by this time had ceased to be able to think or even to perceive with any distinctness the phrase or motif inscribed upon one of those confused and idly turning wheels of mental machinery which had stood in the place of thought to him It was the afternoon when he got back and everything within him had fallen into an afternoon dreariness He lingered when he landed on the waste bit of grass that lay between the little landing place and the door of the old castle He had no heart to go in and sit down unoccupied in that room which had witnessed so many strange meetings He was no longer indeed afraid of his visitor there but rather looked forward with a kind of relief to the tangible presence which delivered him from meetings of the mind more subtle and painful But he had no expectation of any visitor nor was there anything for him to do except to sit down and perhaps attempt to read which meant solely a delivering over of himself to his spiritual antagonists for how was it possible to give his mind to any fable of literature in the midst of a parable so urgent and all occupying of his own He stood therefore idly upon the neglected turf watching the ripple of the water as it lapped against the rough stones on the edge The breadth of the loch was entirely hidden from him by the projection of the old tower which descended into the water at the right and almost shut off this highest corner of Loch Houran into a little lakelet of its own Walter heard the sound of oars and voices from the loch without seeing any one but that was usual enough and few people invaded his privacy so that he was taken by surprise when suddenly raising his eyes he was aware of the polished and gilded galley from Birkenbraes in which already Mr Williamson seated in the stern had perceived and was hailing him Hallo my Lord Erradeen Here we ve all come to see ye this fine afternoon I told them we should find ye under your own vine and your own fig tree This speech was accompanied by a general laugh The arrival of such a party heralded by such laughter in a desolate house with few servants and no readiness for any such emergency to a young man in Walter s confused and distracted condition would not it may be supposed have been very welcome in any case and at present in his exhaustion and dismay he stood and gazed at them with a sort of horror There was not even a ready servitor like Hamish to assist in the disembarkation

26 January 1888 The story is one of destruction as well as construction the destruction of the Aborigines and the construction of an essentially English bourgeois society and the taming of an alien and seemingly sterile land This is not a general Australian history it does not attempt to cover all aspects and it is not a definitive or quantitative analysis It is a work of art a living and breathing account of the remaking of a primitive continent history come alive **More Than Ever (More Book 3)** Sloan Parker,2019-02-12 Matthew Luke and Richard return in this third installment of the MORE series These three men have weathered a lot and their love for one another is as strong as ever Yet Matthew Stewart the youngest of the threesome can t help but feel like he s made one too many mistakes lately both with his men and his future His perfect life is starting to crumble around him Haunted by a past he s never truly faced and struggling to find his place in the world he sets his sights on a new dream job at a wildlife rehabilitation center With more than just a great job on the line he refuses to turn his back on someone in need A favor morphs into danger as Matthew Luke and Richard face a week alone in the wilderness looking for evidence of either an accident or a crime With no hiking experience and armed strangers trying to hunt them down these three men will learn to lean on each other more than ever And in the process they just might heal more than one old wound Length 112 018 words This book contains explicit sexual content graphic language and an all male menage relationship
