Kenosis and the Question of Political Theology Saitya Brata Das,2025-02-23 The book based on the concept of kenosis explores the thought of a political theology as deconstruction of sovereignty It takes up the most difficult question of God s revelation as the very revelation of love It connects the theological inquiry to ecology emphasizing humanity s redemption as intertwined with nature s salvation It also critiques modern metaphysical views that treat nature as mere resource urging a recognition of our essential interconnectedness with all beings By taking Paul s conception of kenosis seriously this book aims to dismantle existing sovereign powers and challenge the notion of human supremacy in global politics It seeks to reintegrate transcendence into contemporary debates on post secularism and religion while addressing the urgent ecological crises we face An interesting read for upper level undergraduates graduate students scholars and other intellectuals interested in philosophy of religion and philosophical theology

Exposing the Darkness Darryl Fitzwater,2011-02 Darryl Fitzwater and his family appeared to the outside world to be a good Christian family But in truth Darryl was not a good Christian He was hard on his wife and children expecting them to meet impossibly high standards and never showing love or encouragement He believed himself to be better than the other Christians he knew and was critical and judgmental of everyone And he had a dark secret In 2007 on the day before Thanksgiving his deep dark secrets were finally exposed Darryl s wife RaeLynn discovered him in the nude with their teenage daughter Sierra As it turned out Darryl had been struggling with pornography for years and his lust led him to live with a hidden heart of sin When the truth was revealed life as he knew it was completely destroyed He turned himself in and spent time in jail and away from his family and the most amazing thing happened he learned what it means to have peace with God and to serve Him with all of his heart Today Darryl and his family have forgiven and reconciled and this thought provoking book chronicles Darryl s many discoveries as he dealt with his sin He encourages readers to take a hard look at the hidden sin in their own lives and bring it to the light so they can begin to truly live a victorious and fruitful Christian life All will be revealed in Exposing the Darkness And Lighting the Way to Life in Christ

Law & Gospel in Action Mark C Mattes,Mark C. Mattes,John T. Pless,2019-04-09 Mark Mattes hope is not only to secure believers consciences in Christ but also to reclaim theological and social turf which mainline Protestants have too quickly ceded to various secular agendas The collected essays engage the reality of believers death and resurrection in Christ and how that bears upon the life of faith while also attending to a wide range of relevant theological topics such as scriptural authority apologetics a critique of contemporary mainline Protestant and Evangelical Catholic ethics a critique of Lutheran Reformed ecumenism and the church s mission and outreach The collection concludes with several sermons based on Old Testament lessons seeking to show how the theology embedded in the essays can be used for proclamation
