**Leadership in a VUCA World** Michael Fuchs, Jochen Messner, Robert Sok, 2018-08-02 VUCA is not just another acronym Originally coined by the American military to describe a situation fraught with a variety of challenges it now has a permanent place in the realms of strategic leadership Those who have made it into an enterprise management role are finding that their leadership skills are truly being tried and tested on account of the volatile uncertain complex and

ambiguous environment we are in Agility is now the name of the game Developing one's leadership skills to match this requirement and to not only surmount the challenges posed by the VUCA world but do so in a mature and authentic way is what this book is all about It gently submerges the reader into an impressive tank of knowledge that the authors experts in the field of personal development have amassed during their careers Psychology mythology and examples of real life enterprises are accompanied by the excellent analogy of one of our best known heroes Luke Skywalker of the Star Wars films to illustrate that there is nothing to fear that we all have the potential to act courageously At regular intervals throughout the book the reader is presented with thought provoking questions and statements the answers to which will help them eventually resurface with a clear picture of how to use their skills and talents to motivate themselves and others to proceed wisely in the corporate landscape Contents An expert guide from three vastly experienced and accomplished executive coaches Learn effectively at your own pace any time and anywhere Convincing background knowledge and examples

**Consciousness Medicine** Françoise Bourzat, Kristina Hunter, 2019-06-25 A comprehensive guide to the safe and ethical application of expanded states of consciousness for therapists healing practitioners and sincere explorers Psychedelic medicines also known as entheogens are entering the mainstream And it's no wonder despite having access to the latest wellness trends and advances in technology we're no healthier happier or more meaningfully connected Psilocybin mushrooms ayahuasca and LSD as well as other time tested techniques with the power to shift consciousness such as drumming meditation and vision quests are now being recognized as potent catalysts for change and healing But how do we ensure that we're approaching them effectively Françoise Bourzat a counselor and experienced guide with sanctioned training in the Mazatec and other indigenous traditions and healer Kristina Hunter introduce a holistic model focusing on the threefold process of preparation journey and integration Drawing from more than thirty years of experience Bourzat's skillful and heartfelt approach presents the therapeutic application of expanded states without divorcing them from their traditional contexts Consciousness Medicine delivers a coherent map for navigating nonordinary states of consciousness offering an invaluable contribution to the field of healing and transformation

**Sustaining Heaven on Earth** Isaura Barrera, 2021-08-11 Heaven on earth is a reality that defies description and even belief at times Yet all who have fallen in love felt deep wonder or witnessed what could only be classified as a miracle can attest to its presence Unfortunately that presence is all too often only fleeting What if it didn't have to be so What if it was possible to sustain the experience of heaven on earth This book suggests four keys to doing so each forged by and for a love that challenged the author to remain awake to the presence of heaven on earth that love had awakened

[Cura Personalis](#) Antonia C Johns, 2013-02 The physician patient bond is a significant relationship intended to effect healing in our patient but is it the patient alone who benefits We are all patients at some point As a patient how well do we know our self how clearly do we communicate what troubles us to our doctor to others Even when we are feeling healthy we remain aware of some aspects of our lives that need

healing For many of us it is our relationships that need healing This book is an essential exploration into the challenges inherent in the physician patient dynamic and extends the findings to other important encounters The reason it is appropriate for everyone physician or not is because the principles adhered to in its writing are universal in reach and eternally relevant Its sole purpose is to promote healing in our world individually and collectively Whatever our vocation we are each called to be an essential effective healer in some way that is natural to us our gift to the world Here we are reminded that when we promote conditions for healing in our relationships we manifest miracles naturally Dale Hanson Bourke, 2008-05 Using the biblical story of Naomi as well as a wealth of personal experiences Bourke offers essential principles that will help older women blaze new trails in their best years and mentor younger women encouraging them to build for the future with wisdom and strength
