Love Kindness Barry H. Corey, 2019-02-05 Kindness is not what we have been taught it is It isn't a soft virtue expressed only by sweet grandmothers or nice Boy Scouts Kindness is neither timid nor frail Instead it is brave and daring willing to be vulnerable with those with whom we disagree It is the revolutionary way that Jesus himself called us to live The way of selfless risks The way of staggering hope The way of authenticity Dr Barry Corey president of Biola University believes we tend to devalue the importance of kindness opting

instead for caustic expressions of certainty that push people away We forget that the essence of what God requires of us is to love kindness In this book filled with stories from his travels around the globe Barry shows us the forgotten way of kindness It is a life that calls us to put ourselves at risk A life that calls us to hope A life of a firm center and soft edges It is the life Christ invites us to follow no matter what the cost This new paperback edition has an added chapter and a foreword from Steven Curtis Chapman
