you hate cardio or have never stepped inside a gym and don t plan on doing so At one point or another we ve all told
ourselves I m going to sign up for a gym membership and really do it this time or I swear I ll do my workout later on tonight
We all know the benefits of exercise It improves our physical and mental health gives us more energy and boosts our self
image So why is it so hard to start an exercise regimen and even harder to stick to it Despite our best intentions life gets in
the way and there always seems to be an obstacle stopping us from actively trying to live healthier Whatever the reason
continuing to live a sedentary lifestyle isn t doing you any favors In fact physical inactivity is the 4th leading risk factor for
global mortality and is a strong predictor for weight gain cardiovascular disease and other chronic conditions Does this mean
that you have to make drastic lifestyle changes to start improving your health mentally and physically Or that you need to
give up time doing what you love just so you can spend hours in the gym Not at all I ll let you in on a secret that the fitness
industry doesn t want you to know You don t need fancy equipment or expensive trainers to sculpt the body that up until now
